"If we're gonna have fun, it better have a motor!" In *Fast N' Loud*, Richard Rawlings pushes into high gear, sharing the story of his rise to success, his show, and the automotive know-how that has made him famous. He begins with his own story—how he went from flat broke to a seat at the table with some of history's most iconic car guys. His road to the top is full of dangerous twists and hilarious turns, with a few precipitous cliffs in between, including getting shot defending his beloved 1965 Mustang fastback from carjackers, blowing out of town Fear-and-Loathing style, and picking up chicks and vagrants along the way. Rawlings then takes readers behind the scenes of *Fast N' Loud*, the series, sharing details on everything from the toughest car to restore to the easiest, his favorite restorations, travel and war anecdotes, and the best and worst cars to make it to the small screen. He finishes with a handy guide
