W11 | Diploma of Higher Education in Engineering
Students often pursue a diploma with the intent of learning a specific topic or skill set, usually in order to qualify for a related career. These documents are awarded from secondary education organizations ranging from vocational schools to universities.Engineering studies deals with the design, optimization, maintenance, and creation of machines and systems.

Top Online Diplomas in Engineering 2021
Accordingly, engineering studies are now divided in two parts: first, the bachelor's degree (baccalaureus, three to four years) and the second optional part (one to two years), after which either the traditional engineer's degree or a master's degree (e.g. MEng or MSc) is awarded. These can often, however, still be combined into a single 'integrated' degree programme in many countries, normally lasting five or six years (although only four years in England, Wales and Northern Ireland).

Engineer's degree - Wikipedia
