Fantasies-we all have them. For some, it's their dream job; others want the wedding, the 2.5 kids, the white picket fence. My fantasies are a bit more...depraved. Dark and sinful, they have destroyed relationships and my livelihood, yet I still submit to them like a slave. Sex. For most, it's a natural expression of love, caring, or lust. But there are those of us who can't stop once we've had a taste. Those of us who don't want to. And the shame of that never-ending cycle will eat us alive... My name is Evan James, and I am a sex addict.

When only a Duke will do... When her father resorts to suicide to escape his gambling debts, Heather Everly is heartbroken. But her sorrow turns to terror when she discovers that his last losing bet was her hand in marriage to the scoundrel Lord Brightly. The blackmailing nobleman threatens to ruin Heather and her sisters by revealing their father's cause of death to Society--unless Heather marries him. Desperate, she knows she must marry a man with enough wealth and status to silence the evil Lord Brightly and save her family from ruin. The elderly Duke of Ablehill is believed to be Heather's best opportunity for a speedy marriage to a powerful man. But when she attends a house party hoping to meet the duke, she finds he is injured and has sent his secretary, Mr. Calder, in his stead to determine if Heather would make a suitable wife for the duke. Heather is instantly drawn to the handsome secretary and begins to entertain the possibility of an indiscretion with Calder before she sacrifices herself for her family and enters into a loveless marriage with a man old enough to be her grandfather. With deceptions swirling, Lord Brightly conniving and the clock ticking, Heather's prospects seem bleak. The only bright spot in her otherwise dreadful existence is the delightful Mr. Calder. The more time she spends with him, the less interested she is in the duke--or the prospect of marriage to anyone who isn't her beloved Mr. Calder. Faced with dire choices, Heather must either risk everything for a man who makes her heart race with desire but can't help her or her family, or do what's expected of her and sacrifice her only chance at true happiness. Previously published as Ella Quince.

Once upon a time, I was a princess in a tower. One night, and my entire life went up in flames. All because of him. Jafar. As my world burned down around me, he offered me a choice. Walk away with nothing but my freedom... Or rise to his challenge and win my fortune back. I bargained. I lost. Now Jafar owns me, body and soul. Even as my mind rails against his rules, my body loves the punishments he deals out when I break them. But a gilded cage is still a prison, I'll do anything to obtain my freedom. Even betray the man I'm falling for. In DESPERATE MEASURES, you'll find: -> Enemies to lovers -> Captive Heroine -> Kinky Roleplay -> Daddy/baby girl -> Alpha hero

How I wish this book had been available years ago when I as a young minister tried to preach on the life of King Saul. Dr. Cyril Barber has given us a commentary on 1 Samuel that balances dependable information, spiritual interpretation, and practical application. I predict that in years to come this volume will be a standard reference work for serious Bible students and careful expository preachers. But there is no dull academic atmosphere in these pages. The book is a joy to read. Dr. Barber makes ancient history exciting and practical, and he does so without spiritualizing the text. You will enjoy using this book. It will open up new facets of truth for you to receive and apply in your own life and then share with others. From the Foreword, by Warren W. Wiersbe

The Desperate Daughter: True & Tall Family Tales saga unfolds in Vršac, a prosperous town within the Austro-Hungarian Empire. Buoyed by the belief that true love awaits her, Draga ingeniously keeps repulsing numerous gentlemen callers who compete for her hand in an arranged marriage. Her parents persist in inviting prominent bachelors to call on her in the salon of the Todorovic mansion. After years of unsuccessful matchmaking and her refusals to fulfill their expectations, the couple is furious. They threaten dreadful consequences should she dare to reject the next potential mate. The gorgeous Serbian lady would rather die as a spinster of twenty-two than become a sacrificial bride on the altar of societal conformity. Ahead of her time in 1899, she clings to the hope of marrying for love the man of her own choosing. There’s no telling who will win. One thing is certain: Both parties are running out of time.
