An introduction to out-of-body travel which describes the author's various astral journeys, and offers step-by-step instructions for embarking on voyages through new dimensions and worlds beyond everyday life.

Adventures in the Afterlife is a powerful journey of spiritual awakening; a bold quest for answers and enlightenment. The old assumptions of heaven are confronted and an expansive new vision of our continuing life is presented. After being diagnosed with cancer, William Buhlman, author of Adventures Beyond the Body, pursued answers to the mysteries of our existence after death. Confronting his mortality, he experienced profound insights into what lies beyond our physical body. Our journey into the next life is the basis for Adventures in the Afterlife. The author chronicles his out-of-bodyexperiences and lucid dreams through the eyesof a fictional character, Frank Brooks. The insights are sometimes surprising, but a clear message is always apparent; we are powerful, spiritual beings and we shape our reality now and in the future. The purpose of this book is to prepare us for the many thought responsive environments we will experience. William Buhlman teaches and lectures worldwide on the subjects of out-of-body experiences and spiritual empowerment. Visit the author at [www.astralinfo.org](http://www.astralinfo.org).

Higher Self Now! is a powerful affirmation for immediate spiritual liberation; a modern guide book for personal transformation. Learn about the unseen nature of our existence, the continuing evolution of soul after death and how to navigate thought responsive realities. Develop your own Spiritual Directive as you discover the practices of an end-of-life coach. Through a variety of personal accounts and practical guidance, you can be prepared to assist your loved ones as they begin to transition from the physical world. Experience a variety of techniques that will clear the way for you to achieve escape velocity from the dimensions of density and form. We are powerful, creative beings with the ability to shape and mold our current reality and influence our afterlife as well. Become knowledgeable about continuing spiritual evolution beyond matter to prepare for and enhance your astral goals. Praise: "A fascinating review of out-of-body experiences in a detailed, yet easy-to-become self-empowered today! William Buhlman, author of Adventures beyond the Body, teaches and conducts workshops at The Monroe Institute focusing on the exploration of consciousness, the afterlife, and profound spiritual awakening. Visit the author at [www.astralinfo.org](http://www.astralinfo.org). Susan Buhlman is a certified end-of-life Doula, hospice volunteer, and bereavement support companion. Together they have written this compelling book that will not only encourage an environment of comfort and respect during the end-of-life experience, but direct the departing soul to reach their highest level of spiritual evolution as well. A Better Approach to Astral Projection Experience the insights and joys of astral projection with Navigating the Out-of-Body Experience—a personalized, accessible, science-based guide from a top authority in the field. Drawing on more than twenty years of study and countless OBEs that he has brought about in himself and others, Graham Nicholls shares proven techniques for leaving the body. Gain greater insight into your psychological makeup and strengths with a unique approach to self discovery. Learn to use your greater awareness to build a customized approach to projecting into the astral plane. Integrating his deep knowledge of self-hypnosis, breath work, virtual reality, quantum science, nutrition, and healing, Nicholls teaches you how to move past limiting beliefs and deepen your level of self-understanding so you can achieve your astral goals. Praise: "A fascinating review of out-of-body experiences in a detailed, yet easy-to-read style. Nicholls' valuable contribution [provides] excellent and practical direction to help explore this phenomenon."—Dr. Jeffrey Long, New York Times bestselling author of Evidence of the Afterlife "Navigating the Out of Body Experience stands out as one of the best. Graham Nicholls [demonstrates] a rare and welcome understanding among authors within this genre."—Thomas Campbell, NASA Physicist and author of My Big TOE

In this remarkable book, William Buhlman, author of the bestselling Adventures Beyond the Body, offers the reader a comprehensive guidebook to understanding and exploring the fascinating phenomenon of out-of-body experiences (OBEs). Learn how you can: Explore your true spiritual self and attain profound transformation in your awareness and knowledge of the universe. Gain life-changing benefits as you break free from mental and physical limitations Contact departed loved ones using OBEs to move beyond the current limited understanding of death.Filled with engrossing stories based on the testimonies of people from all over the world, and offering forty new, easy-to-understand techniques, The Secret of the Soul will prepare human beings everywhere for the next major leap in the evolution of consciousness.

A journey through a land where Milo learns the importance of words and numbers provides a cure for his boredom.

The definitive work on the extraordinary phenomenon of out-of-body experiences, by the founder of the internationally known Monroe Institute. Robert Monroe, a Virginia businessman, began to have experiences that drastically altered his life. Unpredictably, and without his willing it, Monroe found himself leaving his physical body to travel via a "second body" to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbound by time or death. Praise for Journeys Out of the Body "Monroe's account of his travels, Journeys Out of the Body, jam-packed with parasitic goblins and dead humans, astral sex, scary trips into mind-boggling other dimensions, and practical tips on how to get out of your body, all told with wry humor, quickly became a cult sensation with its publication in 1971, and has been through many printings. Whatever their 'real' explanation, Monroe's trips made for splendid reading." —Michael Hutchinson, author of Megabraïn "Robert Monroe's experiences are probably the most intriguing of any person's of our time, with the possible exception of Carlos Castaneda's." —Joseph Chilton Pierce, author of Magical Child "This book is by a person who's clearly a sensible man and who's trying to tell it like it is. No ego trips. Just a solid citizen who's been 'out' a thousand times now and wants to pass his experiences to others." —The Last Whole Earth Catalog

Beyond the Astral is a collection of short stories inspired by the out-of-body experiences, lucid dreams, and explorations of consciousness that the authors have documented over the past decades. This book is designed to open a path to our unlimited possibilities by revealing the simple but sometimes powerful message found in the mysterious activities of our consciousness. We wish for you to enjoy these stories that speak to the highs and lows of our human adventure. Look carefully, you may see a reflection of your own journey as we relay our experiences to you. Stretch your thoughts and see where your inspiration will take you! For more information visit the authors website.

Eleven-year-old Alanna, who aspires to be a knight even though she is a girl, disguises herself as a boy to become a royal page, learning many hard lessons along her path to high adventure.

Throughout history, people have reported spiritual experiences that we now identify as out-of-body experiences or OBEs. In recent times, modern researchers like Robert Monroe have pioneered the scientific study and practice of OBEs. Increasingly, people are remembering spontaneous OBEs, especially from early childhood. Also, OBEs are a typical feature of near-death experiences and have been described as beautiful, painless, and ecstatic. This is the comprehensive manual for inducing out of body experiences and managing the experience. Peterson not only explores the stages of his own development, but also concludes each chapter with a specific exercise that takes you to the next level. From wiggling out of your body for the first time (the author did a back flip his first time) to traveling through other realms and dealing with your "encounters," this is one of the most practical, step-by-step guides to OBEs available. He clearly demonstrates how this consciousness-expanding experience is accessible to anyone willing to make the leap into the great beyond. This is the ultimate manual on how to leave home alone....
