The Rock Warriors Way by Arno Ilgner Practical skills with the backing of theory This book is clear, backed up by science and an intelligent but easy read. From Power Words to Power Sinks, the book introduces concepts we can all relate to and gives labels to ideas that we have only ever thought of abstractly.

Book Review // The Rock Warrior `s Way by Arno Ilgner ...

The Rock Warriors Way is a mental training book for climbers. Mental training is scarcely covered in the climbing literature yet it is as important to performance as strength flexibility and technique. In his unique approach to mental training Arno Ilgner draws essential elements from the rich 'warrior' literature as well as from sports ...
