A long-time best-selling comprehensive text for basic legal research, *The Process of Legal Research: Practices and Resources*, 9E melds a rich discussion of legal authorities with a presentation of strategic processes for researching using the vast array of resources now available to the legal researcher. With readability in mind, *The Process of Legal Research* is written to engage various learners through streamlined text, graphics, in-text scenarios that draw on first-year topics, sample documents, and self-assessment questions. Covering sources from dictionaries to international and tribal law, and presenting and repeatedly demonstrating ten practices that distinguish skilled researchers, the book zeroes in on current, credible, cost-efficient options for each type of legal authority. To maximize students comprehension, the chapters conclude with a research scenario paired with questions for guided practice as well as a theoretical question to prompt class discussion.
