If you would like to purchase"both"the physical text and MyMathLab, search for: 0133886867 / 9780133886863 Calculus with Applications, Brief Version Plus MyMathLab with Pearson eText -- Access Card Package Package consists of: 0321431308 / 9780321431301 MyMathLab -- Glue-in Access Card 0321654064 / 9780321654069 MyMathLab Inside Star Sticker 0321979419 / 9780321979414 Calculus with Applications, Brief Version "

This manual contains completely worked-out solutions for all the odd-numbered exercises in the text.

Calculus & Its Applications, Global Edition

Designed to help motivate the learning of advanced calculus by demonstrating its relevance in the field of statistics, this successful text features detailed coverage of optimization techniques and their applications in statistics while introducing the reader to approximation theory. The Second Edition provides substantial new coverage of the material, including three new chapters and a large appendix that contains solutions to almost all of the exercises in the book. Applications of some of these methods in statistics are discusses.
