"This is a program that focuses on all 3 modes of communication (interpersonal, presentational, interpretive) and was designed with the Common Core State Standards (CCSS) in mind."--Amazon/Publisher.

¡Qué chévere! is an engaging program that develops students' communication skills by providing ample speaking and writing practice in contextualized situations, working with partners and in groups.

The Glencoe Math Student Edition is an interactive text that engages students and assist with learning and organization. It personalizes the learning experience for every student. The write-in text, 3-hole punched, perfed pages allow students to organize while they are learning.

With recent changes in technology, media, and the communication landscape, the journey to ethics has become more complicated than ever before. This book aims to answer ethical questions, from applying ethics and sound judgment through your organization and communication channels to taking your ethics and values into every media interview. With the understanding of how personal and professional ethics align, business leaders, managers, and students will maneuver their way around this new landscape showcasing their values in ethical conduct. This book is divided into eight important areas based on where and why a breakdown in ethical behavior is likely to occur, and delivers advice from experts on the frontlines of business communications who know what it means to face the inherent changes and challenges in this field. With more than 80 questions and answers focused on guiding marketing, PR and business professionals, readers will
