"'La frontera'...I heard it for the first time back in the late 1940s when Papa and Mama told me and Roberto, my older brother, that someday we would take a long trip north, cross la frontera, enter California, and leave our poverty behind." So begins this honest and powerful account of a family's journey to the fields of California -- to a life of constant moving, from strawberry fields to cotton fields, from tent cities to one-room shacks, from picking grapes to topping carrots and

thinning lettuce. Seen through the eyes of a boy who longs for an education and the right to call one place home, this is a story of survival, faith, and hope. It is a journey that will open readers' hearts and minds.

When the body of John Harmon turns up in the Thames, an illiterate dustman named Noddy Boffins unexpectedly inherits Harmon's unclaimed fortune. Boffins's good luck seems fitting since Harmon's father--the notorious London miser Old Man Harmon--became rich through the dustman business, essentially garbage collection. The newly upwardly mobile Boffins and his wife, also a loyal servant of Harmon's miserly father, struggle to fit in with the monied class. At the same time, the couple attempts to aid those less fortunate than themselves, an effort that tests their moral compass. Soon Noddy begins to take on the penny-pinching tendencies of his benefactor. Our Mutual Friend (1865) offers satisfying twists and turns on the Victorian rags-to-riches story as it expertly weaves together one of the author's most important themes, newfound wealth and the seismic shifts of social circumstance that accompany it. Who would have believed that *The Adventure of Huckleberry Finn* could cause the worst crisis in the history of George Mason High School? Certainly not Barney Roth, editor of the school paper. But when a small but vocal group of students and parents decide that the book is racist, sexist, and immoral--and should be removed from reading lists and the school library--Barney takes matters into his own hands. When the Huck Finn issue comes up for a hearing, Barney decides to print his story about previous censorship efforts at school. He's sure that investigative reporting and publicity can help the cause. But is he too late to turn the tide of censorship?
