This work emphasizes the practical aspects of human resource management (HRM) through examples placed throughout the text. It features new or expanded coverage of the impact of current HRM issues. HRM in Action boxes include special topics and company examples.

Human Resource Management, 9th Edition continues to present both the theoretical and practical aspects of HRM. The theoretical material is presented throughout the textbook and highlighted via a marginal glossary. The practical aspects of HRM are presented through lively and pedagogically effective examples woven throughout the text and in the end-of-chapter materials. The new edition reflects the challenges of diversity, technology and globalization in the business world in general, and how these forces impact the HRM function within organizations.
