Colour Atlas Of Physiology 6th Edition Zytron

We are very pleased to be able to present the sixth edition of our Color Atlas and Text of Histology, an atlas that has been in continuous use since its first publication as a black and white atlas in 1987. The success of that atlas prompted us to revise it considerably, retake all of the images in full color, change its name, and publish it in 1990 under the title Color Atlas of
