Realidades 4 Digital Edition ©2014 provides standards-based instruction that seamlessly integrates vocabulary, grammar, communication, culture, and digital learning for upper level Spanish. This text features 12 thematic chapters with a focus on the integration of language and contemporary culture, a review and expansion of vocabulary and grammar, and extensive practice in the three modes of communication (interpretive, interpersonal, and presentational). The cultural themes allow for a deeper exploration of cultural products, practices, perspectives, and comparisons. Realidades 4 can be used effectively as the fourth year program in an articulated sequence of instruction, as a pre-AP text to Abriendo paso ©2014, or as the core text in an AP course. The program resources are available in print, on DVD-ROM, or online. The Digital Courseware, realidades.com, offers the newest and most powerful online learning system available in any high school Spanish program. Choose the Student Edition format the works for you! Print + Digital: Includes a print Student Edition with 6-year access to realidades.com eText + Digital: Includes the online Student Edition eText with 6-year or 1-year access to realidades.com Standalone Student Edition eText: Includes the online Student Edition eText with 6-year or 1-year license, but the license does not include access to realidades.com or teacher resources

Students learn Spanish by actively engaging with the language via hands-on activities and projects, interactive CD-ROMs, and Internet tasks that help all students.

After the highly successful launch of this popular, college-level intermediate French program, the Second Edition of Réseau: Communication, Intégration, Intersections expands upon the features that have made it so popular in two- and four-year colleges and universities around the world. Réseau conceives of the teaching of French as a holistic endeavor, not only in terms of language skills--speaking, listening, reading, and writing--but also in terms of cultural knowledge in the broadest sense. Based on the belief that knowledge of a second language and culture necessarily brings about a greater understanding not only of the world in an increasingly global context, but also of the individual self, the content and activities in Réseau offer students the opportunity to reflect on the differences between their own and French and Francophone cultures and experiment with the new identities that so many researchers suggest language learning can encourage.

A separate Answer Key to the Student Activities Manual is available for instructors who want students to check their own work.
