Dark Time Mortal Path has both an engaging protagonist, an original storyline, and the kind of pace and excitement that kept me reading far past my bedtime. While it's not a new concept to have a demon enslave a human to do its bidding on the surface world, Dakota gives this concept so many elements to make it her own and breath new life into it.

Although the plot is extremely thin especially when it converts from historical to modern day urban fantasy, fans will enjoy meeting Susannah-Maliha and the worlds of Dakota Banks (including eerie dark Midworld). The first paranormal Mortal Path thriller is dark and enthralling as Rabishu is outraged at Malilha saying no for the first time as she hopes to obtain some redemption for her dark soul.
