Buy Psychology, Eighth Edition (Loose Leaf) by David G. Myers (2006-07-01) by David G. Myers (ISBN:) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.

This new edition continues the story of psychology with added research and enhanced content from the most dynamic areas of the field--cognition, gender and diversity studies, neuroscience and more, while at the same time using the most effective teaching approaches and learning tools.

This modules-based version of Myers ' best-selling, full-length text, Psychology, breaks down the book ' s 16 chapters into 54 short modules. Myers was inspired to create this text by the memory research in chunking (showing that shorter reading assignments are more effectively absorbed than longer ones), as well as by numerous students and teachers who expressed a strong preference for textbooks with more, shorter chapters. DSM 5 Updates Available for Fall 2014 classes, this update version features new content from David Myers in response to the release of the DSM-5. This new content is integrated into the text without changing pagination or the structure of the chapters. A special DSM 5 Supplement by the David Myers is available for Fall 2013 and Spring and Summer 2014 courses. View the Page-Referenced Guide to the DSM-5 updates for Psychology in Modules. The new edition of Exploring Psychology offers outstanding currency on the research, practice, and teaching of psychology. Myers and DeWall inspire students with fascinating findings and applications, effective new study tools and technologies, and a compassionate and compelling storytelling voice. Their presentation is based on the same guiding principles behind the entire family of textbooks that have made David Myers the world ' s bestselling introductory psychology author: Facilitate learning by teaching critical thinking and helping students at every step. Present psychology as a science, emphasizing the process of inquiry and putting facts in the service of concepts. Make sure students come away with an appreciation of psychology ' s big ideas, and with a deeper respect for humanity—what drives us, distinguishes us, unifies us. This Exploring Psychology is the first to include Myers ' handpicked co-author. Nathan DeWall shares Myers ' belief that instilling a sense of curiosity and inquiry about psychological science is an effective way to help students navigate the content, think critically, and prepare for a lifetime of learning and living. The extraordinary, longtime Myers ancillary author team is also here—a group whose teamwork, consistency, and commitment again sets the industry-standard for instructor and student supplements. The high quality that consistently sets Myers ' ancillaries apart sees a new incarnation in LaunchPad. This course space organizes all the book ' s digital resources in an online format that makes it easier for instructors to teach, track, and assess their students

This detailed study guide helps students to understand and retain the material in Psychology, 10th edition, at an even higher level than by reading the text alone. Each chapter includes self-test and exercises, chapter reviews and overviews, and objectives from the text.

Reflecting your students and their world. How many of the students in your Social Psychology course are Psychology majors? Business? Sociology? Education? In the 10th edition of Social Psychology, David Myers once again weaves an inviting and compelling narrative that speaks to ALL of your students regardless of background or intended major. Through examples and applications as well as marginal

quotations from across the breadth of the liberal arts and sciences, Myers draws students into the field of social psychology. At the same time, Myers is also in tune with the ever-changing state of social psychology research. Boasting over 650 new citations in the 10th edition, *Social Psychology* is as current as it is captivating. Research Close-Up and Inside Story features throughout the book provide deeper exposure to key research and researchers. Marginal quotations, examples and applications throughout each chapter, and the concluding "Applying Social Psychology" chapters all ensure that regardless of your students' interests and future plans, *Social Psychology* will engage them. This 10th edition also features the contributions of Jean Twenge, author of *Generation Me* and *The Narcissism Epidemic*, further bolstering the direct connection to today's students.
