Dramatisation of the events in the diary of Anne Frank. The play tells the story of Anne Frank who went into hiding for two years with her family and friends before being discovered by the Nazis and sent to the concentration camp. The book includes assignments about the characters and themes of the play.

THE STORY: In this transcendently powerful new adaptation by Wendy Kesselman, Anne Frank emerges from history a living, lyrical, intensely gifted young girl, who confronts her rapidly changing life and the increasing horror of her time with astonis

The Diary of a Young Girl, also known as The Diary of Anne Frank, is a book of the writings from the Dutch language diary kept by Anne Frank while In 1942, with zis occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fasciting commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience.

A collection of the author's lesser-known writings includes stories, personal reminiscences, previously deleted excerpts from her diary, and an unfinished novel composed while she was hidden from the Nazis.

Theatre program.

A timeless story rediscovered by each new generation, The Diary of a Young Girl stands without peer. For both young readers and adults it continues to capture the remarkable spirit of Anne Frank, who for a time survived the worst horror the modern world has seen—and who remained triumphantly and heartbreakingly human throughout her ordeal. Adapted by Ari Folman, illustrated by David Polonsky, and authorized by the Anne Frank Foundation in Basel, this is the first graphic edition of The Diary and includes extensive quotation directly from the definitive edition. It remains faithful to the original, while the stunning illustrations interpret and add layers of visual meaning and immediacy to this classic work of Holocaust literature.

This book is a case study into the affective history of Holocaust drama offering a new perspective on the impact of The Diary of Anne Frank, the pivotal 1950s play that was a turning point in Holocaust consciousness. Despite its overwhelming success, criticism of the Broadway makeover has been harsh, suggesting that the alleged Americanization would not do justice to the violence of the Holocaust or Anne Frank ' s budding Jewishness. This study revisits these issues by focusing on the play ' s European appropriation delving into the emotional intensity with which the play was produced and received. The core of the exploration is a history of the Dutch staging in ethnographic detail, based on unique archival material such as correspondence with Otto Frank, prompt books, original tapes, blueprints of the set and oral history. The microhistory of the first Dutch performance of the stage adaptation of Anne Frank ' s diary examines the staging in the context of the postwar hesitant development of publicly voiced Holocaust consciousness. Influenced by memory studies and affect theory, the emphasis is on the emotional impact of the drama on both the members of the cast and the audience and will be of great interest to students and scholars in theater and performance studies, memory studies, cultural history, Jewish studies, Holocaust studies and contemporary European history.
