"Die For You tells the story of your worst nightmare: do you think you know the person you love? Do you really? Lisa Unger writes with sharp psychological insight and bone-deep understanding of her characters. This novel is almost unbearably thrilling." —Luanne Rice, New York Times bestselling author. Die for You | Lisa Unger

Die For You is about Isabel who is suddenly and unexpectedly betrayed by the person she trusts the most. The writing is beautiful but the best thing about this is the way the characters draw you in. Unger does a fantastic job of developing both Isabel and her sister and I found the plot thrilling and well written.

Lisa Unger is a fabulous and talented writer. I read Black Out a while back and really enjoyed it, so I was happy to find a few other books by her recently. Die For You was riveting. I enjoy Unger's ability to breathe life into her characters, who are replete with all their flaws and glories. She makes the people who populate her books seem very real.

The basic plot of DIE FOR YOU --- a woman learns that her husband is not who she trusted him to be --- probably sounds like nothing new. In Lisa Unger's capable hands, however, this plot line goes far beyond mere thriller territory and into somewhere excitingly different.

Die for you; Lisa Unger I loved this book. It gives the reader a sense of how life can really be. It has many side stories that create suspense. I wouldn't recommend this book for readers who don't like flowery writing. Lisa Unger doesn't just get to the point. It's a very thick book but very interesting.

Lisa Unger tantalizes us in the opening prologue of Die For You. An American woman lies on the ground in Prague, staring up at a man approaching her with a gun. She knows him - "He is impervious, his face expressionless, as though I've never meant anything to him. And maybe I haven't."

Die for You: Amazon.ca: Unger, Lisa: Books

"Unger has proved herself to be a master of pacing and suspense and DIE FOR YOU is no exception; in fact, it is the most nerve-wracking, hand-wringing book I've read by her to date. This truly is edge-of-your-seat action and my whole body was tense while I read.

A list of standalone novels by New York Times bestselling author Lisa Unger, including her upcoming new release CONFESSIONS ON THE 7:45 (Oct 6, 2020)

When her husband disappears, Isabel Raines begins a desperate search only to discover his office in the midst of an FBI raid, her apartment ransacked, and that the man she thought she married has actually been dead for years.

When her husband goes missing her nightmare journey begins. Isabel is a well known novelist; Marcus is a brilliant inventor of high-tech games and they have been happily married for five years. But one morning, Marcus says he loves her, leaves for work, and disappears into thin air. Isabel relentlessly tried to reach him when he doesn't return home. But when his call finally comes, she hears only a man's terrified scream. Isabel races to Marcus's office but finds herself in the middle of an FBI raid, and she is knocked unconscious. When she awakes in a hospital, she learns that everyone Marcus worked with is dead, her home has been ransacked and all their money is missing from their accounts. Then the police discover that Marcus Raines is a dead man. Years dead. Isabel has been married to a stranger. And now the chase is on, because Isabel will not rest until she finds the truth about the man she loved, who he was, where he's gone, and how he was able to deceive her so completely.

If Ridley Jones had slept ten minutes later or had taken the subway instead of waiting for a cab, she would still be living the beautiful lie she used to call her life. She would still be the privileged daughter of a doting father and a loving mother. Her life would still be perfect—with only the tiny cracks of an angry junkie for a brother and a charming drunk with shady underworld connections for an uncle to mar the otherwise flawless whole. But that's not what happened. Instead, those inconsequential decisions lead her to perform a good deed that puts her in the right place at the right time to unleash a chain of events that brings a mysterious package to her door—a package which informs her that her entire world is a lie. Suddenly forced to question everything she knows about herself and her family, Ridley wanders into dark territory she never knew existed, where everyone in her life seems like a stranger. She has no idea who's on her side and who has something to hide—even, and maybe especially, her new lover, Jake, who appears to have secrets of his own. Sexy and fast-paced, Beautiful Lies is a true literary thriller with one of the freshest voices and heroines to arrive in years. Lisa Unger takes us on a breathtaking ride in

which every choice Ridley makes creates a whirlwind of consequences that are impossible to imagine . . .

A shattering thriller about three women, strangers, on a heart-wrenching collision course none of them could have seen coming. Long after anyone expected Kate to do anything with her life, she did. Using the journals left behind by her aunt and grandmother, she wrote a novel based on a very real generation-old love story that ended in tragedy. On the other side of town, Emily is about to set fire to her life. She's in a dead-end job and is involved with the wrong man; she can feel herself being drawn into darkness, with horrific consequences. With nowhere to go, she finds herself on the run. Without knowing each other, and with lives that couldn't be more different, Kate and Emily head to the same point on the map: Heart Island, an idyllic place in the middle of a lake in the Adirondacks, owned for generations by Birdie Burke's family. The harsh and unyielding Birdie is at one with this island, which has a terrifying history all its own. She, too, has consequences to face. Heartbroken is a tense, mesmerizing novel about the limits of dysfunctional families, of an island haunted by dark memories and restless ghosts, and of the all-too-real demons we must battle. Wonderfully suspenseful, exquisitely crafted, and written with raw, emotional power, this is Lisa Unger at her very best. Praise for Heartbroken "Stellar. . . . Heartbroken should be on everyone's summer to-read list. For best results, read it alone on an island on a dark and stormy night."—USA Today (4 stars) "Heartbroken has all the makings of a high-wire thriller. But it's the twisted psyches of its main characters that really unsettle. . . . Unger expertly shows how quiet betrayals can rupture a life as deeply as an act of violence."—People (3 ½ stars) "A can't-put-down thriller interlaced with insightful family drama and echoes of Wuthering Heights."—Family Circle "Lisa Unger is one of the few women to first break into the genre of thrillers, then to dominate it."—Minneapolis Star Tribune "Lisa Unger masterfully writes of the joys and frustrations of family life in her latest novel. . . . What makes [it] shine is the struggle of multidimensional characters with issues that all of us face but sometimes don't want to acknowledge."—Associated Press

"Intricate and nuanced—on par with the best top-flight psychological suspense." —L.A. Times INTERNATIONAL BESTSELLER From master of suspense Lisa Unger comes a riveting thriller about a chance encounter that unravels a stunning web of lies. Selena Murphy is commuting home on the train when she strikes up a conversation with a beautiful stranger in the next seat. The woman introduces herself as Martha and soon confesses that she's been stuck in an affair with her boss. Selena, in turn, confesses that she suspects her husband is sleeping with the nanny. When the train arrives at Selena's station, the two women part ways, presumably never to meet again. Then the nanny disappears. As Selena is pulled into the mystery of what happened, and as the fractures in her marriage grow deeper, she begins to wonder, who was Martha really? But she is hardly prepared for what she'll discover... Looking for more gripping suspense? Check out Last Girl Ghosted, also from New York Times bestselling thriller writer Lisa Unger.

Named a BEST BOOK by People Magazine, Boston Globe, BookBub, PopSugar, CrimeReads and more. "Brilliant.... A well-crafted psychological thriller." —The New York Times Book Review When former journalist Rain Winter was twelve years old, she narrowly escaped an abduction while walking to a friend's house. The abductor was eventually found and sent to prison, but years later was released. Then someone delivered real justice--and killed him in cold blood. Now Rain is living the perfect suburban life, spending her days as a stay-at-home mom. But when another criminal who escaped justice is found dead, Rain is unexpectedly drawn into the case, forced to revisit memories she's worked hard to leave behind. Is there a vigilante at work? Who is the next target? Why can't Rain just let it go? Introducing one of the most compelling and original killers in crime fiction today, Lisa Unger takes readers deep inside the minds of both perpetrator and victim, blurring the lines between right and wrong, crime and justice, and showing that sometimes even good people are drawn to do evil things. Nominated for the 2019 Edgar Award From New York Times bestselling author and master of suspense Lisa Unger comes an addictive psychological thriller about a woman on the hunt for her husband's killer. What if the nightmares are actually memories? It's been a year since Poppy's husband, Jack, was murdered during his morning run through Manhattan's Riverside Park. In the immediate aftermath, Poppy spiraled into grief, disappearing for several days only to turn up ragged and confused wearing a tight red dress she didn't recognize. What happened to Poppy during those lost days? And more importantly, what happened to Jack? The case was never solved, and Poppy has finally begun to move on. But those lost days have never stopped haunting her. Poppy starts having nightmares and blackouts, unable to distinguish between what is real and what she's imagining. When she begins to sense that someone is following her, Poppy is plunged into a game of cat and mouse, determined to unravel the mystery around her husband's death. But can she handle the truth about what really happened? The New York Times bestselling author and International Thriller Writers "Best Novel" finalist Lisa Unger returns to the dark psychological suspense that made *Beautiful Lies* a bestseller around the world. Lana Granger lives a life of lies. She has told so many lies about where she comes from and who she is that the truth is like a cloudy nightmare she can't quite recall. About to graduate from college and with her trust fund almost tapped out, she takes a job babysitting a troubled boy named Luke. Expelled from schools all over the country, the manipulative young Luke is accustomed to controlling the people in his life. But, in Lana, he may have met his match. Or has Lana met hers? When Lana's closest friend, Beck, mysteriously disappears, Lana resumes her lying ways—to friends, to the police, to herself. The police have a lot of questions for Lana when the story about her whereabouts the night Beck disappeared doesn't jibe with eyewitness accounts. Lana will do anything to hide the truth, but it might not be enough to keep her ominous secrets buried: someone else knows about Lana's lies. And he's dying to tell. Lisa Unger's writing has been hailed as "sensational" (*Publishers Weekly*) and "sophisticated" (*New York Daily News*), with "gripping narrative and evocative, muscular prose" (*Associated Press*). Masterfully suspenseful, finely crafted, and written with a no-holds-barred raw power, *In the Blood* is Unger at her best.
