Each of the book's 20 subjects is rigorously analysed through original diagrams, scale drawings and descriptive texts, which are complemented by key statistics and colour photography. The case studies are presented in order of size rather than date or geographical location. This offers design professionals, developers and city planners, as well as students of architecture and urban design informed organisational and formal comparisons, leading to intriguing insights. A wide geographical range of contemporary and historic masterplans are featured. These encompass European projects from the 19th century to

My Journey with the United Nations and Quest for the Horn of Africa's Unity and Justice for Ethiopia by Kidane Alemayehu My Journey with the United Nations and Quest for the Horn of Africa's Unity and Justice for Ethiopia is a landmark in the annals of Ethiopian literature and history. It gives a huge assignment to the present and future generations of Ethiopians - namely that justice must be done, if not today, then tomorrow, and if not tomorrow, then the day after tomorrow. The Catholic Church, as the Universal Church, cannot remain mum in the face of such horrendous accusations supported by evidence. It is our fervent hope

Sustainability in the Gulf covers the region's contemporary development challenges through the lens of the UN's Sustainable Development Goals (SDGs), which place sustainability at the centre of the solution to the current environmental, economic, and social imbalances facing GCC countries. The book presents multiple analyses of Gulf-specific sustainability topics, examining the current status, challenges, and opportunities, as well as identifying key lessons learned. Innovative and practical policy recommendations are provided, as well as new conceptual angles
