In everyone feels happy, you're describing a common attribute of a group, so here everyone is a unit; a unit is it, and it feel s In they make everyone feel happy , you're describing an impact on each member of a group individually, so here everyone is a collection of separate individual s ; individual

s are they , and they feel .

Which sentence is grammatically correct between 'they make ...

Trying to change and wanting to be happy just like everyone else. Instead I've realized that I am here to live, to learn, and to let go of my attachment to conditional happiness. I don't connect to the feeling of happiness every single moment of my life, but I have learned to connect to purpose and awareness.
