Harley-Davidson riders are a close-knit community that loves good food. The official motto of Harley riders may be "Live to Ride, Ride to Live," but the unofficial motto is "Eat to Ride, Ride to Eat." To help celebrate the 100th anniversary of Harley-Davidson in 2003, Bill Hufnagle, aka Biker Billy, collected 200 righteous recipes from HOG (Harley Owners Group) members and other Harley enthusiasts from sea to shining sea whose close-second passion is a fantastic, stick-to-your-ribs meal with no holds barred. There are plenty of Billy's own favorites included, too. Here and only here are recipes for Nana's Famous Horseradish Cheese Spread, Grandpa's Oil Can Stew, Penne with Crankcase Vodka Sauce, Black Leather Tostadas, and John's Prison Break Cake. This is torqued-up-tasty food from a bunch of adventure-loving riders that's certain to appeal to the more than five million Harley riders across the U.S.A.

This illustrated guide is packed with interesting facts and follows the history of the famous Harley-Davidson company and the development of its famous bikes, which have earned a special place in the hearts of enthusiasts everywhere. The story dates from 1903 when Bill Harley and the Davidson brothers, with no thought of fame or fortune, decided to build a motorcycle that really worked. So successful was it, that it led to the gradual formation of a company that has survived through good times and bad. Through good times and bad, losing and winning back police contracts, as well as weathering various other

vicissitudes, the company has achieved lasting success. In the end, Harley-Davidson came to the ultimate decision of giving its customers what they really wanted, not by providing year-on-year innovations, but by remaining true to the Founders' original concept. The result, as everyone knows, are bikes of mythic status, imbued with a mysterious quality of their own and generating a passion in enthusiasts amounting almost to a love affair. The name has come to personify America and is up there alongside Coca-Cola, Ford and McDonald's. The bikes are described in detail, not only in mechanical terms, but also with glorious photographs, and will be of interest to everyone who loves motorbikes: even aficionados of Japanese and European bikes, who have never even ridden a Harley-Davidson, will be able to recognize the unique marriage of style and nostalgia and the fact that there are no other bikes quite like them.

My F-Word is Forgiveness is Herb Agee's first book. His warmth, wit and wisdom are a combination of best friend, companion, pastor, brother, and humorist with emphasis on humorist. From Groceries, Outhouses and Chewing Tobacco to The F-Word, Agee leads the reader on a roller coaster ride of shared human experiences and emotions. As a former hospital chaplain, police officer and church pastor for many years, he has shared life and death on deep personal levels with thousands. Presently an assistant pastor at Englewood United Methodist Church in Englewood, Florida, Agee rides a Harley and hangs out with the local bikers and goes by the nickname, Padre. He also has a website with a unique concept ministry, www.StFrancisHelps.com. Through vignettes, observations, musings and ramblings, Agee goes from the heights of hilarity to the peace and quiet of introspection. The real life application approach to the observations and autobiographical experiences are based upon the author's beautifully simplistic approach to life, living and loving. Agee's appeal extends beyond gender and age to touch the heart and sense of humor of all. My F-Word is Forgiveness is a book for every reader. F-Words for this book are Fantastic, Fun, and Faith.

In the nation of Pacifica, Los Angeles detective Cassandra Lee is in charge of investigating a disturbing case, tracking a cop killer dubbed the Bonebreaker. But strange new murders have occurred, falling

outside the normal pattern and leaving Lee and her team wondering if the serial killer has become unpredictable—or if he's no longer acting alone... To make matters worse, Lee's attention is diverted after she receives a letter from her long-lost mother. Now she must venture into the red zone, a lawless land where might makes right—and where the biggest danger may be her own family.

The national bestselling author of Redzone and the Legion of the Damned novels continues his “gripping and intriguing”* post-apocalyptic story about an L.A. cop in a mutant-filled world... 2069, Los Angeles. Decades after a bioterrorist attack decimated the population and left many of the survivors horribly mutated, the “norms” have forced mutants into dangerous areas known as red zones. And the tensions between the two groups are threatening to boil over... LAPD detective Cassandra Lee is known for her single-mindedness, and right now, she's got only one goal—track down the Bonebreaker, the man who murdered her father. But her quest for justice is derailed when LA comes under attack. The Aztec Empire, a Central American group determined to take back the U.S. territories that their Spanish ancestors once controlled, has led a mutant army into California. Suddenly caught in the middle of a war, Lee must put all her energy into keeping her city safe while unearthing the political secrets of LA's shady mayor. And with the Bonebreaker hunting her down, losing focus even for a second could mean death...
