The Author, LoAnna Warren, has always sensed the presence of God in her life. For many long years, she sought God and had a desire to serve the Lord with her whole heart. Several years ago, she recognized there was a call on her life and encountered what one would call "wilderness" experiences. As she began to overcome, God gave her revelations about bondage and deliverance and what it takes to live a victorious life in the earth (Matthew 6:33). She truly believes that the power of God is more powerful than any other force and that with God all things are possible. LoAnna has a heart for empowering women and a strong desire to see God's people walk in victory. This prayer devotional is for anyone who desires a closer walk with God, to intercede for others, and to pull down strongholds. The passages are filled with testimonies, wisdom, and prayers relevant to many of life's issues and circumstances. As you meditate on the Word of God and pray, be prepared for your life to be transformed. Your mind will be renewed as you pray powerfully by activating the power of the spoken Word. This is based on understanding

that life and death are in the power of your tongue. Because we are made in the image of God, we can expect transformation when we pray. The world came into existence by God's spoken Word - so powerful that when His Word went forth, it accomplished what He intended!
