Hidden [House of Night 10] Sadly, I literally had to force myself to read this book. That's how had or how far this series has come too. I remember when I first found Marked in 9th grade and how in love with the series I was. I found the next book or two and read them over that same weekend. But now...I'm so over it.

After all those books before Hidden, I was getting bored of this series. I mean, seriously, The House of Night series is just getting way too long. This is like Private by Kate Brian. Just no. I think books like these (number ten in the series of The House of Night) should have a recap. (TV Talk now) Recaps are nice.
