This book contains information necessary to the proper handling and care of your Ford car. Read it carefully—particularly the instructions on lubrication, the cooling system, care of battery, etc., which are absolutely necessary to economical and satisfactory operation. Your car is a splendid piece of machinery. If properly cared for, it will give you years of satisfactory service at little cost. When repairs are needed, we recommend having the work done by an authorized Ford dealer. They are provided with special service equipment. Furthermore they are interested, more than any one else, in your personal satisfaction with the car. Let experienced mechanics make repairs or adjustments. Your car is too valuable a
