After launch of Hemang Doshi's CISA Video series, there was huge demand for simplified text version for CISA Studies. This book has been designed on the basis of official resources of ISACA with more simplified and lucid language and explanation. Book has been designed considering following objectives:\* CISA aspirants with non-technical background can easily grasp the subject. \* Use of SmartArts to review topics at the shortest possible time.\* Topics have been profusely illustrated with diagrams and examples to make the concept more practical and simple. \* To get good score in CISA, 2 things are very important. One is to understand the concept and second is how to deal with same in exam. This book takes care of both the aspects.\* Topics are aligned as per official CISA Review Manual. This book can be used to supplement CRM.\* Questions, Answers & Explanations (QAE) are available for each topic for better understanding. QAEs are designed as per actual exam pattern. \* Book contains last minute revision for each topic. \* Book is designed as per exam perspective. We have purposefully avoided certain topics which have nil or negligible weightage in cisa exam. To cover entire syllabus, it is highly recommended to study CRM.\* We will feel immensely rewarded if CISA aspirants find this book helpful in achieving grand success in academic as well as professional world.

This book is aligned with ISACA's CRISC Review Manual - 7th Edition (2021) and covers all the topics that a CRISC aspirant needs to understand in order to pass the CRISC exam successfully. The key aspect of this book is its use of simple language, which makes this book ideal for candidates with non-technical backgrounds. At the end of each topic, key pointers from the CRISC exam perspective are presented in table format. This is the unique feature of this book. It also contains 600 plus exam-oriented practice questions. The questions are designed in consideration of the language and testing methodology used in an actual CRISC exam. This will help any CRISC aspirant to face the CRISC exam with increased confidence. This book is updated in 2021 to cover the latest CRISC Review Manual.If you are a passionate risk practitioner, IT professional, auditor or security professional and are planning to enhance your career by obtaining a CISA certificate, this book is for you.

The ultimate CISA prep guide, with practice exams Sybex's CISA: Certified Information Systems Auditor Study Guide, Fourth Edition is the newest edition of industry-leading study guide for the Certified Information System Auditor exam, fully updated to align with the latest ISACA standards and changes in IS auditing. This new edition provides complete guidance toward all content areas, tasks, and knowledge areas of the exam and is illustrated with real-world examples.
