Lewis's own singles (on which he was billed as "Jerry Lee Lewis and his Pumping Piano") advanced his career as a soloist during 1957, with hits such as "Whole Lotta Shakin' Goin' On", a Big Maybelle cover, and "Great Balls of Fire", his biggest hit, bringing him international fame, despite criticism for the songs, which prompted some radio stations to boycott them.

Jerry Lee Lewis - Wikipedia

While living with his father in Nesbit, Mississippi, Lewis Jr. took his Jeep out for a drive one night in 1973, and on a rough county road, he lost control and flipped over the vehicle. Lewis Jr. reportedly snapped his neck and died in the accident. He was only 19, just 11 days shy of his 20th birthday.

Elvis, but his career as a rock star was forever crippled by the scandal. Lewis and Myra were divorced in 1970. In 2004, divorce proceedings began against his sixth wife, Kerrie McCarver ...

## Jerry Lee Lewis and the Myra Brown Scandal

The story, according to the authorized biography, "Jerry Lee Lewis: His Own Story," is that the crowd was so excited that the police had to stop them from jumping on stage. At that point, Lewis kicked the piano stool back, "sprinkled" some gas out of a Coke bottle onto the piano, lit it on fire, and continued playing "Great Balls of Fire."

Did Jerry Lee Lewis Set His Pianos on Fire Onstage? His cousins Jerry Lee Lewis, a rock and roll pioneer, and Mickey Gilley, a country music singer, inspired him to attempt a career in music. However, he continued to assist with his parents' ministry, and in 1958 he became a full-time evangelist with his own ministry. In 1961 he was ordained by the Assemblies of God.

New York Times Bestseller The greatest Southern storyteller of our time, New York Times bestselling author Rick Bragg, tracks down the greatest rock and roller of all time, Jerry Lee Lewis—and gets his own story, from the source, for the very first time. A monumental figure on the American landscape, Jerry Lee Lewis spent his childhood raising hell in Ferriday, Louisiana, and Natchez, Mississippi; galvanized the world with hit records like “ Whole Lotta Shakin ’ Goin ’ On ” and “ Great Balls of Fire, ” that gave rock and roll its devil ’ s edge; caused riots and boycotts with his incendiary performances; nearly scuttled his career by marrying his thirteen-year-old second cousin—his third wife of seven; ran a decades-long marathon of drugs, drinking, and women; nearly met his maker, twice; suffered the deaths of two sons and two wives, and the indignity of an IRS raid that left him with nothing but the broken-down piano he started with; performed with everyone from Elvis Presley to Keith Richards to Bruce Springsteen to Kid Rock—and survived it all to be hailed as “ one of the most creative and important figures in American popular culture and a paradigm of the Southern experience. ” Jerry Lee Lewis: His Own Story is the Killer ’ s life as he lived it, and as he shared it over two years with our greatest bard of Southern life: Rick Bragg. Rich with Lewis ’ s own words, framed by Bragg ’ s richly atmospheric narrative, , this is the last great untold rock-and-roll story, come to life on the page.

Jerry Lee Lewis has lived an extraordinary life. He gave rock and roll its devil's edge with hit records like 'Great Balls of Fire'. His incendiary shows caused riots and boycotts. He ran a decade-long marathon of drugs,

# Acces PDF Jerry Lee Lewis His Own Story Rick Bragg

drinking, and women, and married his thirteen-year-old second cousin, the third of seven wives. He also nearly met his maker, at least twice. He survived it all to be hailed as one of the greatest music icons. For the very first time, he reveals the truth behind the Last Man Standing of the rock-and-roll era.

For nearly sixty years, Jerry Lee Lewis has been a monumental figure in American life. The wildest and most dangerous of the early rock and rollers, he electrified the world with hit records such as “ Whole Lotta Shakin ’ Goin ’ On,” “ Great Balls of Fire,” and “ Breathless. ” His music was raucous, exuberant, slyly sexual; his wailing vocals were grounded by the locomotive force of his pumping piano. But his persona and performing style were what changed the world: whipping his long hair back, he would pound the keyboard like a coal-fired steam engine, then kick back the bench, climb atop the piano, and work the audience like the Pentecostal preacher he almost became. Poised to steal the crown from Elvis Presley, he seemed unstoppable—until news of his marriage to his thirteen-year-old cousin broke during his first British tour, nearly ending his career. Now, for the first time, Lewis ’ s story is told in full, as he shared it over two years with Pulitzer Prize – winning writer Rick Bragg. In a narrative rich with atmosphere and anecdote, we watch Jerry Lee emerge from the fields and levees of Depression-era Louisiana, blazing a path across Bible colleges and nightclubs en route to international fame. He shared bills with Johnny Cash and Chuck Berry, toured Australia with Buddy Holly and Paul Anka, and went Cadillac for Cadillac with Elvis on the streets of Memphis—even as both of them struggled with the

# Acces PDF Jerry Lee Lewis His Own Story Rick Bragg

conflict between their faith and their music. After a decade in the wilderness, he returned as the biggest star in country music, but his victory lap became a marathon of excess, a time of guns and pills and Calvert Extra. He crashed Rolls-Royces and Lincolns, including one he drove into the gates of Graceland; suffered the deaths of wives and loved ones; and nearly met his maker twice himself. Yet after six marriages, a long spell without a recording contract, and a bruising battle with the IRS, he overcame a crippling addiction, remarried, and scored his biggest hit records since the 1970s. Today, as he approaches his eightieth year, he continues to electrify audiences around the world. The story of Jerry Lee Lewis has inspired songs and articles, books and films, but in these pages Rick Bragg restores a human complexity missing from other accounts. The result is a story of fire and faith and resilience, informed by Rick Bragg ' s deep understanding of the American spirit, and rich with Jerry Lee ' s own unforgettable voice.

Press kit includes: fact sheet, cast, credits & music listing, production information and biographies for Jerry Lee Lewis, Winona Ryder, and Dennis Quaid.

“ Engaging . . . [a] biography of three men bound by blood, music, and a lifelong struggle to strike a balance between the sacred and secular. ” —Publishers Weekly  
Three cousins, inseparably bonded through music. Each became a star; their story would become a legend. J. D. Davis ' s enthralling new biography of famous cousins Jerry Lee Lewis, Jimmy Swaggart, and Mickey Gilley, born within a twelve-month span in small-town Louisiana during the Great Depression, draws from

# Acces PDF Jerry Lee Lewis His Own Story Rick Bragg

exhaustive research and personal connections with friends and family. Davis recreates the irresistible and life-changing power of music that surrounded the cousins as boys and shaped their engagingly distinct paths to fame. With three personal journeys set alongside important landmarks in pop-culture history, Davis presents a unique tale of American music centered on the trials, tribulations, and achievements of three men who remain truly Unconquered. A ForeWord Reviews Book of the Year Award Honorable Mention for Biography “ This is a good read, and not just for the hard-core fan. It will appeal to anyone interested in the dynamics of rock ’ n ’ roll, country music, and evangelical Christianity and what happens when the aesthetics and lifestyles of those three worlds collide. Highly recommended. ” —Library Journal “ God, the devil, and everything in between. This book is a great representation of the duality plane on which we exist.’ ” —Leon Russell, legendary musician, Rock and Roll Hall of Fame member “ Unconquered clearly depicts the fascinating story of three great musical artists who were cousins in real life but icons in the world of music. Each man conquered life ’ s roadblocks to achieve his ultimate goals. ” —Tom Schedler, former Louisiana Secretary of State

A portrait of singer Jerry Lee Lewis details his early life, music, controversial marriage, problems and decline, endurance, and revival in popularity

A superb new study of Jerry Lee Lewis that's as intense and fast paced as the life of "The Killer" himself, from the height of fame to the bumpy road that followed "The category in which Jerry Lee Lewis truly

# Acces PDF Jerry Lee Lewis His Own Story Rick Bragg

belongs is 'Jerry Lee Lewis.' The Killer is as big as Mount Rushmore, and he's also as American, as revered, as clichéd, as misunderstood, as corny, and as taken for granted as that monument. The curse of iconoclastic American success. Elvis felt it, so does Dylan. So will others who haven't been born yet." The story of Louisiana hellcat Jerry Lee Lewis and his 1958 wedding scandal-it was discovered that at 22 he had married his 13-year old second cousin, Myra, before he was divorced from his second wife-long ago took precedence over the man himself and the music he makes. In Jerry Lee Lewis: Lost and Found, author Joe Bonomo lets others focus on the scandal and delves more deeply into the accidental intersection between fading American Rockabilly and ascending Beatlemania. By first taking a look at the critical years before his famed night in 1964 at West Germany's Star-Club - what that meant not only for him but the entire live album-making world - then the tumultuous years that follow, culminating in his time on the American Country charts in the late 60s/ early 70s, Bonomo brings Jerry Lee Lewis to life in new and fascinating ways. In spite of plummeting record sales and concert fees, a media savaging of his personal character, a change of record labels and management, and a considerable upturn in his drug and alcohol abuse, Jerry Lee Lewis has persevered. In between being betrayed and ignored, he would record one of the greatest rock & roll performances in history. Bonomo's thorough research includes new interviews with Live at the Star-Club producer Sigi Loch, members of the Nashville Teens, and other musicians and fans who were at the Star-Club performance, as well as with music industry figures ranging from famed Nashville producer Jerry Kennedy

# Acces PDF Jerry Lee Lewis His Own Story Rick Bragg

and legendary Memphis stalwart Jim Dickinson to Killer-influenced contemporaries John Doe and Dave Alvin. This passionate book examines and explains the almighty impact of the Father of Rock'n'Roll.

From the author of the critically acclaimed Elvis Presley biography: *Last Train to Memphis* brings us the life of Sam Phillips, the visionary genius who singlehandedly steered the revolutionary path of Sun Records. The music that he shaped in his tiny Memphis studio with artists as diverse as Elvis Presley, Ike Turner, Howlin' Wolf, Jerry Lee Lewis, and Johnny Cash, introduced a sound that had never been heard before. He brought forth a singular mix of black and white voices passionately proclaiming the vitality of the American vernacular tradition while at the same time declaring, once and for all, a new, integrated musical day. With extensive interviews and firsthand personal observations extending over a 25-year period with Phillips, along with wide-ranging interviews with nearly all the legendary Sun Records artists, Guralnick gives us an ardent, unrestrained portrait of an American original as compelling in his own right as Mark Twain, Walt Whitman, or Thomas Edison.

He wrote the songs that made rock immortal--including the all-time classic "Blue Suede Shoes." Now, in a book that "reads like timeless Southern fiction" (*Washington Post Book World*), Carl Perkins beautifully tells his story. From a life beset with tragedies--including the suicide of his brother--Perkins emerges as a man made stronger through trial and sustained by his lifelong love
