John Clare (13 July 1793 – 20 May 1864) was an English poet. The son of a farm labourer, he became known for his celebrations of the English countryside and sorrows at its disruption. His poetry underwent major re-evaluation in the late 20th century: he is now often seen as a major 19th-century poet.

## **John Clare - Wikipedia**

John Clare is “the quintessential Romantic poet,” according to William Howard writing in the Dictionary of Literary Biography. With an admiration of nature and an understanding of the oral tradition, but with little formal education, Clare penned numerous poems and prose pieces, many of which were only published posthumously.

# Acces PDF John Clare

John Clare was an English poet, belonging to the Romantic school, known for his vivid and lyrical descriptions of the rural English countryside. He is often referred to as a 'peasant poet' as he was a poor agricultural farm worker forced to live a life of obscurity, devoid of any joys of recognition.

If you want all the facts about John Clare, the romantic peasant poet who died forgotten in the madhouse, this is the book for you. If you want a sense of who Clare was and how he fits into English poetry as a whole, it isn't. Keats admired Clare, but complained that his poetry was diffuse because it lacked emotional concentration.
