## Self-DIRECTED LIFE PLAN

Welcome to the Life Plan Workbook! It's often said that people spend more time planning their next vacation than they do planning their life and career. This is a real tragedy – it results in people reaching a certain age, reflecting on where they are, and wondering why their life seems so unsatisfying.

Write, Open, Act. | An Intentional Life Planning Workbook

As you make a life plan, it helps to plan not only months into the future but for years. Looking at your values and thinking about how you want the next few months, year, and five years to be (even up to ten years!) and then working backward can really clarify what next steps will bring you a payoff, and can help you decide where to put your time.
