Melt Into You is a bittersweet, pun absolutely unavoidable, tale of love, not unlike the traditional storyline of an addict and the woman who has loved him and always will love him, secretly anyway. And by addict I don ' t mean the drugaholic type, I mean addicted to the high life -- the fast money, faster cars and even faster women.

Thanks to her fake engagement to a secretly gay celebrity, Evan Kennedy gets an invitation to an exclusive resort where her sexual fantasies can come true, but when she unexpectedly runs into her first love she finds that he may just be the guy of her wildest fantasies.

When Brynn LeBreck's younger sister goes into hiding at a highly secretive sex retreat, she goes undercover to retrieve her, but comes across Reid Jameson, an old flame who had once crushed her heart.

Making a fresh start as a waitress, Kelsey LeBreck's favorite customer invites her to accompany him on an important business retreat as his girlfriend in this fourth romance in the erotic Loving on the Edge series following Fall Into You. Original.

Highly-charged and intensely erotic, this duo from the Loving On The Edge series is perfect for fans of Fifty Shades of Grey.

Unfortunately for Cam, he's just helped to push the woman of his dreams into the arms of another man--and now he's in the fight of his life to keep this beauty from getting away.

At least, that's what Andi Lockley's anxiety wants her to believe. It doesn't help that she narrowly escaped a dangerous man years ago, or that every relationship since has been colored with that lingering fear. But things are better now—she's channeling everything into her career as a horror novelist and true crime podcaster, and her next book may be the breakthrough she needs. If only her grumpy new neighbor would stop stomping around at all hours of the night. Former firefighter Hill Dawson can't sleep. After losing part of his leg in a rescue gone wrong, he's now stuck in limbo. He needs to figure out what he's supposed to do with his life, and he can't let himself get distracted by the pretty redhead next door. But what starts out as a neighborly exchange quickly turns into the chance for so much more...if Andi can learn to put aside her fear and trust in herself—and love—again.

From the author of Hot Dog Girl comes a sweet and salty queer YA rom-com about two girls on a summer road trip in an ice cream truck. Fallon and Chloe used to be best friends. But last summer, the girls hooked up right before Chloe left for college, and after a series of misunderstandings, they aren ' t even speaking to one another. Now, a year later, Chloe ' s back home from school, and Fallon is doing everything in her power to avoid her. Which is especially difficult because their moms own a business together—a gourmet ice cream truck where both girls work. But when their moms have the opportunity to make a presentation to some venture capitalists in Texas—something that could seriously expand their business and solve all their money problems to boot—it's up to Fallon to work a series of food truck festivals across the country. But she can't do it alone, and Chloe is the only one available to help. As tensions heat up again between the two girls, will Fallon be able to keep her cool?
