Drawing on slave narratives found in forty-one volumes of interviews and one hundred autobiographies by former slaves, these contributors explore how enslaved African Americans received the often oppressive faith of their masters but transformed it into a gospel of liberation. This classic work demonstrates how an authentic black theology of liberation today must listen to the divine spirit that once fed and continues to feed the black religious experience. This second edition includes three additional provocative essays.

This book defines the American Gothic and places it both within the context of the major movements of intellectual history in the last 300 years, and also within the context of the critical issues of American culture. From Poe to Faulkner to Toni Morrison and Cormac McCarthy, many of the best and most critically acclaimed works of American literature have been Gothic. The book will demonstrate how the Gothic provides a forum for discussing key issues of American culture, for exploring forbidden subjects, and for providing a voice for the repressed and silenced.

"None of your business, she's mine so leave her alone" my mistress hisses. He opens the door for us and slaps my bottom really hard as I pass. "If your tongue ever wears out licking her slit, and you want a real man inside you come back and see me". He leers at me. I smile at him and follow my mistress down the dimly lit street towards the staff car park. A few youths whistle and make obscene propositions to us as we tap down the ... "After your training session you will have some time to prepare for the evening. You will give yourself several enemas in case some of my friends decide to use you in that way. Then you will dress yourself and get the kitchen slut to do the final lace up. Be ready to greet the guests at seven o'clock and bring them to the lounge room. Now go and get a tray and clear the table". I picked up the dirty clothes and took them to the laundry. Picking up a tray from the kitchen I returned to the bedroom to take the dishes away. She is quite beautiful. Eventually there are eight young slaves sitting silently on the bench. Their masters and mistresses mingle and chat. Whenever I pass one of them I receive a slap or pinch on the bottom as does Sue. One man detains me as I pass and tells me to put the tray on the bar and return to him. I do so and he forces me to my knees in front of him. He has tight leather pants ... "Please restrain yourselves and save yourselves for the long night of entertainment ahead". Flicking my bottom with her crop to get me standing she sends me to the bar where there is a mirror to repair my lipstick. As I do so I feel the barman's hand between my legs. He squeezes me hard so that I almost faint and laughs as I mince away with my tray of drinks. Time passes as the guests enjoy the food and drinks. The slaves on the bench are left alone apart from occasional inspections..." "nose and chin and fuller lips you will look much more feminine. We also repaired the damage to your rectum and made it wider to reduce risk of damage in the future." "What about my chest?" I ask. "Your mistress felt that a nice set of implants would complete the transformation. The bandages will be removed shortly and you will see what a great job we have done." She leaves the room and I feel for my little boy bits to see if they still there. They are. The nurse returns with a doctor. "Still a bit sore I hear. That will soon pass. We will now uncover your new self. There will be some bruising but the swelling will have gone and you will be pleasantly surprised at how good you look." The doctor says.
