A guide to educational play Montessori style offers ideas for activities and games to supplement preschool learning

Paula Lillard, director of a Montessori school ranging in age from 18 months to fifteen years, provides a clear and cogent introduction to the Montessori program for the elementary and later years. In detailed accounts, Lillard shows how children acquire the skills to answer their own questions, learn to manage freedom with responsibility, and maintain a high level of intellectual stimulation by using the Montessori method. This is an essential handbook for parents and teachers who have chosen the Montessori alternative for the older child.

Montessori: A Modern Approach has been called the single best book for anyone -- educator, childcare professional, and especially parent -- seeking answers to the questions: What is the Montessori method? Are its revolutionary ideas about early childhood education relevant to today's world? And most important, especially for today's dual-career couples. Is a Montessori education right for my child? Paula Polk Lillard writes both as a trained educators and as a concerned parent -- she has many years as a public school teacher, but it was her enthusiasm for the education her own child experienced in a Montessori school that led her to become a leading voice in the Montessori movement in this country. Her book offers the clearest and most concise statement of the Montessori method of child development and education available today.

A parent's guide to building independence, creativity, and confidence in their children using Montessori learning techniques, written by Montessori president Tim Seldin. An international bestseller, *How to Raise an Amazing Child the Montessori Way* adapts Montessori teachings for easy use at home. Packed with Montessori-based preschool activities and educational games that build confidence and independence through active learning, this authoritative illustrated guide helps raise self-reliant and creative children. Celebrate physical and intellectual milestones from birth to age six with activity checklists, and encourage development through proven child-centered teaching methods. This edition has been updated to include information about the neuroscience of child development and shares advice about screen time in the digital age, co-parenting, other family changes, and gentle discipline methods. *How to Raise an Amazing Child the Montessori Way* shows parents how to bring the teachings of Montessori into their home to create a safe, nurturing environment for their children with clear and concise instructions.

"If, like some, you regret that Montessori too rarely in her writings appreciated the humanity of teachers-their creativity, their curiosity, their doubts-this book stands as the perfect complement."-Jola-Montessori.com Evocative and unique, *The Tao of Montessori* offers a quiet balance to the noisy demands of teaching and parenting through a special blend of encouraging verse. Award-winning Montessori teacher Catherine McTamaney revisits the eighty-one verses of Lao-tzu's *Tao Te Ching* and relates them to the life and work of teachers, parents, and children. Originally meant to remind rather than direct and to show the way toward natural harmony in the world around and within us, Lao-tzu's verses find a new meaning through McTamaney's skillful mixture of spirituality and education. Take a moment to read a single stanza, then put it aside and muse upon its meaning. By revisiting one verse each day, you can relate its images to your life as a teacher, parent, or child. Whether you are familiar with the writings of Lao-tzu or are simply ready to explore a refreshingly contemplative perspective on children and teachers, *The Tao of Montessori* is a profound work of intellectual stimulation.

Understand the important milestones of development in children in five developmental domains: physical and motor, social and emotional, communication and language, cognitive, and approaches to learning. Learn strategies to observe and document children's progress and develop partnerships and establish communication with families. Updated for alignment with state standards.
