What is a touring motorcycle? And what is a sports bike? A touring motorcycle is a motorcycle especially designed for long range travel both on roads and off roads. This type of motorcycle has an upright seating position, larger fuel capacity, bigger displacement fairings and windshields to make long travel comfortable. A sports bike does not give much importance to riding comfort and fuel economy. It is designed to give great speed and acceleration. More trivia and fascinating information about motorcycles are featured in this book especially made for young learners. Over 90 motorcycles -touring, sports bike, street bike, dual sport motorcycle, cruisers and other types of motorcycles, from classic motorcycles to the newest ones, different brands, and more are presented in this book. Each motorcycle comes with its beautiful picture and easy to understand fun fact to fuel your child's fascination with motorcycles. It is truly great book for children to enjoy with the family.
