But unfortunately, the forest isn't the safe home they were expecting it to be. After mentions of a contaminated river, howling wolves, and doors that lock as soon as the sun goes down, Samuel's suspicions of the forest begin to rise. Things only get worse the night he wakes up and realizes that not only has his mother been kidnapped, but every other mother in the forest as well. Samuel takes an oil lamp, and his friend, known as "the Voice," and together set out to find everyone.
