This means that regardless of how an artist interprets an apple, your child will also recognize it as an apple. So what are you waiting for? Play hidden pictures today!

There has been an urgent need for a simple and concise guide which teaches the basics of prayer for Muslims. This book has been designed for people who don't know how to pray yet or those who aren't sure whether they learned correctly or not.In this book you will learn the prayers by reading clear and simple descriptions of what to do along with pictures to make sure you understood correctly. One of the unique features of this book is that it doesn't limit itself to teaching the rituals behind the prayer only. Rather, there is an entire chapter dedicated to learning the meanings behind each statement and action in the prayer.

Taureans, ever wondered what the Sun-signs tell you about love and life? This unique anthology of poems for love and life relates directly to your Sun-sign, Taurus. If you were born between the 21st of April and the 21st of May, you will relate to many of the themes identified with your sign's characteristics and personality traits. The poems in this collection have been chosen because they reflect a Taurean attitude to life. They appeal to the interests 'ruled' by your sign; the animals, flowers, trees, plants and places celebrated by the poets and associated with the sign of Taurus over three thousand years of traditional astrology. Some have been chosen simply because we believe you will enjoy them, and that they will awaken or re-awaken your love of poetry.
