The Cornell Method or the Cornell Note-taking System is one of the most well-known ways to take notes. Using this system, you break down your notes into 3 sections. The right-hand column provides a space for you to summarize the topic being discussed while you record key words and concepts in the column on the left.

? Notes are not just to remind you but good note making is an important part of the learning process ? Active listening and reading means that you are doing something with the information you are receiving. ? It involves putting yourself in the right conditions e.g. Sitting at a desk rather than lounging in an armchair etc. slouching makes your brain slouch! ? It involves making decisions and engaging in thought processes...
