Tamsin Greene comes from a long line of witches, and she was supposed to be one of the most Talented among them. But Tamsin's magic never showed up. Now seventeen, Tamsin attends boarding school in Manhattan, far from her family. But when a handsome young professor mistakes her for her very Talented sister, Tamsin agrees to find a lost family heirloom for him. The search—and the stranger—will prove to be more sinister than they first appeared, ultimately sending Tamsin on a treasure hunt through time that will unlock the secret of her true identity, unearth the sins of her family, and unleash a power so vengeful that it could destroy them all. This is a spellbinding display of storytelling that will exhilarate, enthrall, and thoroughly enchant.

In the second novel of this “fantastic urban fantasy series,” a teenage witch must travel back in time to save her family from ruin (Cassandra Clare, New York Times bestselling author of *City of Bones*). Since the gripping conclusion of *Once a Witch*, Tamsin Greene has been haunted by her grandmother’s prophecy that she will soon be forced to make a crucial decision—one so terrible that it could harm her family forever. When she discovers that her enemy, Alistair Knight, went back in time to Victorian-era New York in order to destroy her family, Tamsin is forced to follow him into the past. Stranded all alone in the nineteenth century, Tamsin soon finds herself disguised as a lady’s maid in the terrifying mansion of the evil Knight family, avoiding the watchful eye of the vicious matron, La Spider, and fending off the advances of Liam Knight. As time runs out, both families square off in a thrilling display of magic. And to her horror, Tamsin finally understands the fateful choice she must make.

A gifted artist, Sadie is determined to fit in at her new school in Connecticut, but her deceased twin brother Ollie keeps appearing to her, seeming to want something. By the author of *Stealing Henry*.

A magic realm is set on a collision course with wackiness when a witch and her wombat sidekick guide an assortment of tourists from the mortal world through an enchanted forest they think is merely a high-tech amusement park.

Romance, magic and an age-old prophecy - the first novel in a stunning new paranormal young adult series. Born Wicked is to witches what Twilight is to vampires! Our mother was a witch too, but she hid it better. I miss her. To me, the magic feels like a curse. According to the Brothers, it's devil-sent. Women who can do magic-they're either mad or wicked. So I will do everything in my power to protect myself and my sisters. Even if it means giving up my life - and my true love. Because if the Brothers discover our secret, we're destined for the asylum, or prison . . . or death. Praise for BORN WICKED: 'A tale so captivating, you don't want it to end' - Andrea Cremer, New York Times bestselling author of the Nightshade series Jessica Spotswood is a debut US author. Drawing on real historical documents but infused with the intensity of imagination, sly humor, and intellectual fire for which award-winning author Rivka Galchen 's writing is known, Everyone Knows Your Mother Is a Witch is a tale for our time—the story of how a community becomes implicated in collective aggression and hysterical fear. The year is 1619, in the German duchy of Württemberg. Plague is spreading. The Thirty Years War has begun, and fear and suspicion are in the air throughout the Holy Roman Empire. In the small town of Leonberg, Katherina Kepler is accused of being a witch. An illiterate widow, Katherina is known by her neighbors for her herbal remedies and the success of her children, including her eldest, Johannes, who is the Imperial Mathematician and renowned author of the laws of planetary motion. It 's enough to make anyone jealous, and Katherina has done herself no favors by being out and about and in everyone 's business. So when the deranged and insipid Ursula Reinbold (or as Katherina calls her, the Werewolf) accuses Katherina of offering her a bitter, witchy drink that has made her ill, Katherina is in trouble. Her scientist son must turn his attention from the music of the spheres to the job of defending his mother. Facing the threat of financial ruin, torture, and even execution, Katherina tells her side of the story to her friend and next-door neighbor Simon, a reclusive widower imperiled by his own secrets. Provocative and entertaining, Galchen 's bold new novel touchingly illuminates a society, and a family, undone by superstition, the state, and the mortal convulsions of history.

A smart, sexy guide to embracing the repressed, tabooed, and often unwanted aspects of ourselves so we can discover our inner power and finally live the life we deserve. "We always get exactly what we want; but often, though we may not be aware of it, what we most want is dark - very dark." Each of us has a dual nature: we are light (conscious) and dark (unconscious). The dark side of our personality - the "other," the shadow side - is made up of what we think is our primitive, primal, negative impulses - our "existential kink." Our existential kink also drives the dark or negative repeating patterns in our life: always choosing the abusive partner or boss, settling for less, thinking that we're undeserving, not worthy. But it also is the source of our greatest power. In Existential Kink, Carolyn Elliot, PhD, offers a truth-telling guide for bringing our shadow into the light. Inviting us to make conscious the unconscious, Elliot asks us to own the subconscious pleasure we get from the stuck, painful patterns of our existence. Existential Kink provides practical advice and meditations so we truly see our shadow side's "guilty pleasures," love and accept them, and integrate them into our whole being. By doing so, Elliot shows, we bring to

life the raw, hot, glorious power we all have to get what we really want in our lives.

The experiences of high-schooler Savannah, following her decision to take her eight-year-old half brother from his abusive father and their oblivious mother, are interspersed with the earlier story of her mother, Alice, as she meets Savannah's father and unexpectedly becomes pregnant.

After moving with her mother to the English countryside, Jenny, a young American girl, begins to unravel a mystery on the grounds and uncovers evidence of another, hidden, occupant of her new home--a three-hundred-year-old ghost named Tamsin. Reissue.

When a young girl ventures through a hidden door, she finds another life with shocking similarities to her own. Coraline has moved to a new house with her parents and she is fascinated by the fact that their 'house' is in fact only half a house! Divided into flats years before, there is a brick wall behind a door where once there was a corridor. One day it is a corridor again and the intrepid Coraline wanders down it. And so a nightmare-ish mystery begins that takes Coraline into the arms of counterfeit parents and a life that isn't quite right. Can Coraline get out? Can she find her real parents? Will life ever be the same again?
