Online Library Owner Manual

More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's

Online Library Owner Manual

taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon

Online Library Owner Manual

Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you

Online Library

Owner Manual

drive your company toward profitability. It will help you: •

Avoid the 9 deadly sins that destroy startups' chances for success • Use the

Customer

Development method to bring your business idea to life

• Incorporate the Business Model

Canvas as the

Online Library Owner Manual

organizing principle

for startup

hypotheses •

Identify your

customers and

determine how to

"get, keep and grow"

customers profitably

• Compute how

you'll drive your

startup to repeatable,

scalable profits. The

Startup Owner's

Manual was originally

petrol engines.

New Tools to
Overcome the Human
Barriers to Change
Leaders know that

Online Library Owner Manual

their job is to transform their organizations to keep pace with technology and an ever-changing business environment. They also know that they are bound to fail in doing so. But this discouraging prospect is not because they won't be able to solve a technological or

Online Library

Owner Manual

Strategic problem.

Leaders will fail because of intractable human responses associated with change--responses such as fear, ingrained habits, politics, incrementalism, and lack of imagination. These stumbling blocks always arise when we humans are

Online Library Owner Manual

faced with change, but what if we had a way to transcend them? This book reveals a radical new method for doing just that. Written by the executive who designed and implemented it, the neuroscientist who helped make it work, and the academic who explains why it

Online Library Owner Manual

works and how to do it, Leading Transformation introduces an innovative yet proven process for creating breakthrough change. Divided into three steps--envisioning the possible, breaking down resistance, and prototyping the future--this process uses cutting-edge

Online Library Owner Manual

tools such as science fiction, cartoons, rap music, artifact trails, and neuroprototypes to overcome people's inability to imagine or react to what doesn't yet exist, override powerful habits and routines that prevent them from changing, and create compelling narratives about the organization's future

Online Library

Owner Manual

and how to get there.

Showing how these tools have been used successfully by companies such as Lowe's, Walmart, Pepsi, IKEA, Google, Microsoft, and others, the process revealed in this book gives leaders the means to transcend the human barriers that block change and lead their

Online Library Owner Manual organizations confidently into the future.

There are a lot of books out there that show collections of logos. But David Airey ' s “ Logo Design Love ” is something different: it ' s a guide for designers (and clients) who want to

Online Library Owner Manual

Understand what this mysterious business is all about. Written in reader-friendly, concise language, with a minimum of designer jargon, Airey gives a surprisingly clear explanation of the process, using a wide assortment of real-life examples to support his points. Anyone involved in

Online Library

Owner Manual

creating visual

identities, or wanting to learn how to go about it, will find this book invaluable. -

Tom Geismar,

Chermayeff &

Geismar In Logo

Design Love, Irish

graphic designer

David Airey brings

the best parts of his

wildly popular blog of

the same name to the

Online Library Owner Manual

printed page. Just as in the blog, David fills each page of this simple, modern-looking book with gorgeous logos and real world anecdotes that illustrate best practices for designing brand identity systems that last. David not only shares his experiences working

Online Library Owner Manual

with clients, including sketches and final results of his successful designs, but uses the work of many well-known designers to explain why well-crafted brand identity systems are important, how to create iconic logos, and how to best work with clients to

Online Library Owner Manual

achieve success as a designer.

Contributors include Gerard Huerta, who designed the logos for Time magazine and Waldenbooks; Lindon Leader, who created the current FedEx brand identity system as well as the CIGNA logo; and many more. Readers will learn:
Why one logo is more

Online Library Owner Manual

effective than another

How to create their
own iconic designs

What sets some
designers above the
