**Personal Finance** is a brief, 14-chapter book, covering the critical topics in Personal Finance courses. This 4-color, paperback text is designed and written to appeal to a range of ages, life situations, and levels of financial literacy. A unique aspect of this text is its active approach. This text will not only get your students thinking about their current situation and financial goals, but also encourage them to put these in writing to use as a guide and revise over the course of their lives. New for this edition, sections are oriented around specific action-items for students. The more a student involves themselves in the assessments, exercises and worksheets provided, the more they will discover about their current habits and how to improve them for greater financial freedom. Students have many different financial goals, but none are more important than having a basic understanding of financial issues and peace of mind with regard to their decisions. The ultimate goal of Focus on Personal Finance is to get students to this point as a first step to achieving the many financial goals they have set for themselves.

Kapoor Seventh Canadian Edition provides the perfect balance between practical application and comprehensive coverage of personal financial planning theories. Coverage includes personal financial planning in the areas of money management, tax planning, consumer credit, housing and other consumer decisions, legal protection, insurance, investments, retirement planning, and estate planning. The Seventh Canadian Edition gives students the foundation they need to make sound financial decisions related to spending, saving, borrowing, and investing with the end goal of establishing long term financial security.

Gain a solid understanding of business today and what it takes to become a better employee, more informed consumer, and even a successful business owner with the best-selling FOUNDATONS OF BUSINESS, 5E. This up-to-date, comprehensive survey of business highlights forms of business ownership, management and organization, human resources management, marketing, social media and e-business, information systems, accounting, and finance. Core topics and special features examine ethics and social responsibility, small business and entrepreneurship, and global issues, while new coverage addresses cutting-edge topics, such as the impact of social media in business, the economic recovery and remaining economic issues, international business, green and socially responsible business, and sustainability. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Personal Finance's highly interactive approach, engaging style, and lively page design captures students' attention as they learn how to incorporate each important concept into their own financial planning. Students will leave the course with a ready-to-implement financial plan and the tools and knowledge they need to effectively manage their own personal finances.
