Power Plant  
Engineering. Help.  
Hello guys, i am about  
to engineer my 8A PP

# Online Library Power Plant

and i was wondering  
what was better between  
Overcharged and  
Armoured. Overcharged  
of course will give me  
more power but at the  
cost of more heat  
generation while  
Armoured will give me  
less power but with  
more heat efficiency  
and integrity.
