His new book, The Ascension Mysteries, is an amazing look into our future and, to me, so far, a lesson in The Golden Rule. I am still in the middle of reading it, but I am already amazed. Thankfully I've read his Synchronicity Key book which helps me get what he's putting forth in his new book. Thank you for writing this, David.

The Ascension Mysteries Quotes Showing 1-10 of 10. " I learned about the propulsion system the discs use.

They have a particle emitter that first shoots out a particle going three-quarters the speed of light. Then a trillionth of a second later, it shoots out another particle at light speed. The faster particle bounces off the slower particle like a billiard ball and shoots back to the ship, striking it on the side of the disc.
