When a small-town family is pushed to the brink, how far will they go to protect one of their own? An edgy, propulsive read about what we will do in the name of love and blood Tony has always looked out for his younger brother, Nick. So when he's called to a hospital bed where Nick is lying battered and bruised after a violent sexual assault, his protective instincts flare, and a white-hot rage begins to build. As a small-town New England lawyer, Tony's wife, Julia, has cases involving kids all the time. When Detective Rice gets assigned to this one, Julia feels they're in good hands. Especially because she senses that Rice, too, understands how things can quickly get complicated. Very complicated. After all, one moment Nick was having a drink with a handsome stranger; the next, he was at the center of an investigation threatening to tear not only him, but his entire family, apart. And now his attacker, out on bail, is disputing Nick's version of what happened. As Julia tries to help her brother-in-law, she sees Tony's desire for revenge, to fix things for Nick, getting out of control. Tony is starting to scare her. And before long, she finds herself asking: does she really know what her husband is capable of? Or of what she herself is? Exploring elements of doubt, tragedy, suspense, and justice, The Damage is an all-consuming read that marks the explosive debut of an extraordinary new writer.

An intimate, beautifully written coming-of-age memoir recounting a young girl's journey from war-torn Vietnam to Ridgewood, Queens, and her struggle to find her voice amid clashing cultural expectations. Ly Tran is just a toddler in 1993 when she and her family immigrate from a small town along the Mekong river in Vietnam to a two-bedroom railroad apartment in Queens. Ly's father, a former lieutenant in the South Vietnamese army, spent nearly a decade as a POW, and their resettlement is made possible through a humanitarian program run by the US government. Soon after they arrive, Ly joins her parents and three older brothers sewing ties and cummerbunds piece-meal on their living room floor to make ends meet. As they navigate this new landscape, Ly finds herself torn between two worlds. She knows she must honor her parents' Buddhist faith and contribute to the family livelihood, working long hours at home and eventually as a manicurist alongside her mother at a nail salon in Brownsville, Brooklyn, that her parents take over. But at school, Ly feels the mounting pressure to blend in. A growing inability to see the blackboard presents new challenges, especially when her father forbids her from getting glasses, calling her diagnosis of poor vision a government conspiracy. His frightening temper and paranoia leave an indelible mark on Ly's sense of self. Who is she outside of everything her family expects of her? Told in a spare, evocative voice that, with flashes of humor, weaves together her family's immigration experience with her own fraught and courageous coming of age, House of Sticks is a timely and powerful portrait of one girl's struggle to reckon with her heritage and forge her own path.

An enlightening narrative exploring an oft-overlooked aspect of the sixteenth president's life, An American Marriage reveals the tragic story of Abraham Lincoln's marriage to Mary Todd. Abraham Lincoln was apparently one of those men who regarded "conjugal bliss" as an untenable fantasy. During the Civil War, he pardoned a Union soldier who had deserted the army to return home to wed his sweetheart. As the president signed a document sparing the soldier's life, Lincoln said: "I want to punish the young man—probably in less than a year he will wish I had withheld the pardon." Based on thirty years of research, An American Marriage describes and analyzes why Lincoln had good reason to regret his marriage to Mary Todd. This revealing narrative shows that, as First Lady, Mary Lincoln accepted bribes and kickbacks, sold permits and pardons, engaged in extortion, and peddled influence. The reader comes to learn that Lincoln wed Mary Todd because, in all likelihood, she seduced him and then insisted that he protect her honor. Perhaps surprisingly, the 5'2" Mrs. Lincoln often physically abused her 6'4" husband, as well as her children and servants; she humiliated her husband in public; she caused him, as president, to fear that she would disgrace him publicly. Unlike her husband, she was not profoundly opposed to slavery and hardly qualifies as the "ardent abolitionist" that some historians have portrayed. While she providid a useful stimulus to his ambition, she often "crushed his spirit," as his law partner put it. In the end, Lincoln may not have had as successful a presidency as he did—where he showed a preternatural ability to deal with difficult people—if he had not had so much practice at home.
