For the first time ever, here's a resume book that clears away the clutter and gets down to the "brass tacks" of what it takes to write and design a resume that will get you interviews and job offers. Authors and professional resume writers Wendy Enelow and Arnold Boldt share their insights, knowledge, and more than 35 years of combined experience to help you prepare a resume that will get you noticed, not passed over. No-Nonsense Resumes begins with a thorough but easy-to-understand explanation of the key elements that are vital to creating an "attention-grabbing" resume, including how to: - Strategically "position" your resume - Showcase your skills and achievements - Format and design a professional-looking resume - Select and integrate key words - Prepare and distribute your electronic resume Subsequent chapters offer specific tips on creating winning resumes for job opportunities in virtually every profession: Administration & Clerical; Accounting, Banking & Finance; Government; Health Care & Social Services; Hospitality Management & Food Service; Human Resources & Training; Law Enforcement & Legal; Manufacturing & Operations; Sales, Marketing & Customer Service; Skilled Trades; and Technology, Science & Engineering. Included in each chapter are sample resumes contributed by leading resume writers and career consultants worldwide.

Focusing on basic skills and tips for career enhancement, Engineer Your Own Success is a guide to improving efficiency and performance in any engineering field. It imparts valuable organization tips, communication advice, networking tactics, and practical assistance for preparing for the PE exam--every necessary skill for success. Authored by a highly renowned career coach, this book is a battle plan for climbing the rungs of any engineering ladder.

Things have changed, times have changed, and times are tough - especially if you're a military veteran seeking employment in today's economy. This essential guide is designed to help you succeed in your civilian job search. Written by a career military officer and a career expert, TheHireTactics introduces a methodology that includes innovative tools that go far beyond the traditional resume and cover letter. You will learn how to define your value in civilian terms and employ the strategies and tactics necessary to differentiate yourself from the competition and successfully complete your job search mission. Learn the 4 Milestones for Civilian Employment: Packaging - teaches you how to implement new and unique tools that will clearly separate you from your competition. Promotion - introduces strategies and techniques that help you successfully penetrate the hidden job market by broadcasting your value to the business community, not your resume. Product Demonstration - teaches you the techniques to conduct a proactive, strategic interview that will greatly enhance your chances of getting the offer. Pricing - Teaches you how to negotiate the difference between what you're offered and your true worth to the organization.

This essential guide is designed to help you quickly succeed in your search for employment in today's economy. Things have changed, times have changed, and times are tough. Old methods that typically rely on resumes and cover letters no longer work. New strategies and tools are needed for job-hunting success, and you will find them here. The Hire Advantage combines the four key milestones to employment based on Greg Wood's proven job-hunting series, TheHireRoad: Packaging - teaches you how to implement new and unique tools that will clearly separate you from your competition. Promotion - introduces strategies and techniques that help you successfully penetrate the hidden job market by broadcasting your value to the business community, not your resume. Product Demonstration - teaches you the techniques to conduct a proactive, strategic interview that will greatly enhance your chances of getting the offer. Pricing - teaches you how to negotiate the difference between what you're offered and your true worth to the organization.

Professional resume writers share their secrets and sample resumes for landing the top jobs in engineering.
