Round The World in Eighty
Around the World in Eighty Days is an adventure novel by the French writer Jules Verne, first published in French in 1872. In the story, Phileas Fogg of London and his newly employed French valet Passepartout attempt to circumnavigate the world in 80 days on a £ 20,000 wager set by his friends at the Reform Club. It is one of Verne's most acclaimed works.

Around the World in Eighty Days—**Wikipedia**

Around the World in Eighty Days, French Le Tour du monde en quatre-vingts jours, travel adventure novel by French author Jules Verne, published serially in 1872 in La Temps and in book form in 1873. The work tells the story of the unflappable Phileas Fogg ' s trip around the world, accompanied by his emotional valet, Passepartout, to win a bet.

Around the World in Eighty Days | Summary & Facts | Britannica

When Jules Verne wrote the story "Around the World in Eighty Days" in 1872, he predicted that one day man could accomplish the task in eighty hours, but which most considered folly to do in eighty days in current times, that is except for people like Englishman Phileas Fogg, a regimented man who believed all it would take is exacting work, the skills he possesses. He just has to make sure a train's schedule meets the required sailing schedule which meets the required coach schedule and so on.

A transporting and illuminating voyage around the globe, through classic and modern literary works that are in conversation with one another and with the world around them "Featured in the Chicago Tribune's Great 2021 Fall Book Preview" Inspired by Jules Verne ' s hero Phileas Fogg, David Damrosch, chair of Harvard University ' s department of comparative literature and founder of Harvard ' s Institute for World Literature, set out to counter a pandemic ' s restrictions on travel by exploring eighty exceptional books from around the globe. Following a literary itinerary from London to Venice, Tehran and points beyond, and via authors from Woolf and Dante to Nobel Prize – winners Orhan Pamuk, Wole Soyinka, Mo Yan, and Olga Tokarczuk, he explores how these works have shaped our idea of the world, and the ways in which the world bleeds into literature. To chart the expansive landscape of world literature today, Damrosch explores how writers live in two very different worlds: the world of their personal experience and the world of books that have enabled great writers to give shape and meaning to their lives. In his literary cartography, Damrosch includes compelling contemporary works as well as perennial classics, hard-bitten crime fiction as well as haunting works of fantasy, and the formative tales that introduce us as children to the world we ' re entering. Taken together, these eighty titles offer us fresh perspective on enduring problems, from the social consequences of epidemics to the rising inequality that Thomas More designed Utopia to combat, as well as the patriarchal structures within and against which many of these books ' heroines have to struggle—from the work of Murasaki Shikibu a millennium ago to Margaret Atwood today. Around the World in 80 Books is a global invitation to look beyond ourselves and our surroundings, and to see our world and its literature in new ways.

"Phileas Fogg's bet that he can span the world in eighty days takes him by train, ship, sled, and elephant across nineteenth-century India, China, and America in one of the wittiest, most enjoyable classics of all time."--Back cover.

The extraordinary and wonderful adventures which befall Phileas Fogg and his servant Passepartout when they set out to win a bet by going round the world in eighty days.

In 1872 Phileas Fogg wins a bet by traveling around the world in seventy-nine days, twenty-three hours, and fifty-seven minutes.

In 1872, English gentleman Phileas Fogg has many adventures as he tries to win a bet that he can travel around the world in eighty days.

Follows the adventures of Phileas Fogg, an imperturbable English gentleman, as, in 1872, he tries to win his wager that he can travel around the world in eighty days, in a controlled-vocabulary adaptation of Verne's classic tale.

Evocative of an era when all travel was an adventure, this timeless classic is perfectly captured by Robert Ingpen's rich and detailed illustrations Although we live in an age when round-the-world travel is possible in hours rather than weeks, Jules Verne's tale of a race against the clock has never lost its power to thrill. Set in 1872, Mr. Phileas Fogg, a gentleman of precision and predictability, and his manservant, the ever resourceful Passepartout, ride through India on an elephant, sail the South China Sea in the teeth of a typhoon, and cross the snow-covered plains of the Wild West in order to fulfill a wager that the journey can be completed in just 80 days. The acrobatic and inquisitive Passepartout can seldom keep out of trouble. While he is pursued by irate Indian priests, drugged in an opium den, and saving a runaway train, his master's composure is never broken as the hours tick away on his precisely accurate pocket watch. But Phileas Fogg is above all a gentleman, and stopping to save the life of a beautiful young widow may have cost him his fortune. The ill-assorted but determined trio have to use all of their ingenuity and some remarkable vehicles to race back to London. Will they make it in time?

In this now classic tale of adventure, Michael Palin follows in Phileas Fogg's footsteps around the World. From the opulence of the Orient Express to the stench of a Venetian refuse collection boat, Michael Palin recounts his experiences in a witty and vivid manner, transporting the reader into his often joyous, occasionally chaotic but always exciting world. A wealth of new cultures and experiences combine to make this book a must for any would-be traveller. AROUND THE WORLD IN 80 DAYS was originally published in hardback in October 1989 and then in paperback in July 1991. Since then, Michael Palin has written POLE TO POLE and FULL CIRCLE, firmly establishing himself as an intrepid explorer and entertaining travel writer, whose now world-renowned reputation speaks for itself.

In 1872, English gentleman Phileas Fogg has many adventures as he tries to win a bet that he can travel around the world in eighty days. Includes a foreword by Laurence Yep and reading group guide.

An excellent bestsellers book for individuals who are looking for the best one to read.
