The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. Meanwhile, there is a huge gap between those who need legal help and those who can get it. But it doesn't have to be that way. We can build better firms, be more effective with our clients, enjoy better health and a greater sense of fulfillment, and make a bigger impact on our communities. With the client-centric law firm management model in The Small Firm Roadmap, you'll see that getting started is easier than you think. The team from Lawyerist.com-Aaron Street, Sam Glover, Stephanie Everett, and Marshall Lichty-will help you gain clarity around your career and firm goals and identify successful strategies for starting, managing, and growing a thriving future-oriented law firm.
