Nearly half of the children who lived in the cities of the late Italian Renaissance were under fifteen years of age. Grinding poverty, unstable families, and the death of a parent

Download Ebook Seat Altea Repair Guide

could make caring for these young children a burden. Many were abandoned, others orphaned. At a time when political rulers fashioned themselves as the "fathers" of society, these cast-off children presented a very immediate challenge and opportunity. In Bologna and Florence,

Download Ebook Seat Altea Repair Guide

government and private institutions pioneered orphanages to care for the growing number of homeless children. Nicholas Terpstra discusses the founding and management of these institutions, the procedures for placing children into them, the children's daily routine and education,
