Slimming World diet: how it works in 2020 - Netmums

The basis of Food Optimising is filling up on Free Food – food that's high in filling power and low in energy density, with fruit and vegetables being the stars of this principle, especially when choosing Speed Free Foods. While most fruit and vegetables fall into this category, we've sometimes been asked why avocados aren't counted as a Free Food. Avocados are crammed with healthy unsaturated fats and other nutrients that are beneficial for our health.
