PDF Test

Optional SATS Papers –
Year three Maths. There
are two sets of optional
Maths papers available
for children to use as
practice papers. Because
they are now a little
adrift from the syllabus
and the new format of
KS2 tests they should
not be used to mean
anything definitive in
terms of results. When
these papers are used

Download File

PDF Test

they should simply be
seen as a good
benchmark of progress.
