The Angry T-Rex: Paulsen, Michael: Amazon.com.au: Books

Anger or wrath is an intense negative emotion. It involves a strong uncomfortable and hostile response to a perceived provocation, hurt or threat. Anger can occur when a person feels their personal boundaries are being or are going to be violated. Some have a learned tendency to react to anger through retaliation as a way of coping.

A Cute Children Book to Teach Kids about Anger Management.

When a little boy is told "no" one too many times, his tantrum transforms him into a giant dragon bent on destruction, but luckily even angry dragons calm down eventually.

Travis the T-Rex often gets angry. The problem is, when Travis gets angry, he often hurts his friends. Travis turns to his teacher for help. Then his friends start making fun of him. Will he be able to control his anger after all he has learnt?

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

The flame character, Anger, is here to teach your little ones how to recognize this strong emotion and name their feelings. This adorable book uses red mist and exploding balloons to show how it feels to be angry. It explains what happens in the brain in uncomplicated terms, perfect for young children. Learn how anger affects the body, like breathing harder and having a faster heartbeat. This brightly illustrated board book is a gentle and simple introduction to strong emotions. The Anger character evokes the feelings that small children have experienced, but might not have the words for just yet. Help them understand what these emotions are and that everyone feels them sometimes. The book also includes tips and tricks to control anger, which kids can practice whenever something upsets them. The easy language makes for fun and educational reading time. This helps children with language, vocabulary, and talking about their emotions, especially if they have difficulty expressing feelings. Let the Anger character help your toddler answer difficult questions with simple explanations. Why Do I Feel Angry Today? This fantastic kids' feelings guide includes: - Easy-to-understand descriptions of the key emotion: Anger - Easy-to-read text that encourages vocabulary building - Beautiful illustrations that will engage preschoolers The little flame Anger from this delightful book has friends! Look out for sunshine in I Feel Happy, the raincloud in I Feel Sad, the little star in I Feel Proud and all of them together in How Do I Feel?

Journalist Rebecca Traister 's New York Times bestselling exploration of the transformative power of female anger and its ability to transcend into a political movement is " a hopeful, maddening compendium of righteous feminine anger, and the good it can do when wielded efficiently—and collectively " (Vanity Fair). Long before Pantsuit Nation, before the Women 's March, and before the #MeToo movement, women 's anger was not only politically catalytic—but politically problematic. The story of female fury and its cultural significance demonstrates its crucial role in women 's slow rise to political power in America, as well as the ways that anger is received when it comes from women as opposed to when it comes from men. " Urgent, enlightened...realistic and compelling...Traister eloquently highlights the challenge of blaming not just forces and systems, but individuals " (The Washington Post). In Good and Mad, Traister tracks the history of female anger as political fuel—from suffragettes marching on the White House to office workers vacating their buildings after Clarence Thomas was confirmed to the Supreme Court. Traister explores women 's anger at both men and other women; anger between ideological allies and foes; the varied ways anger is received based on who 's expressing it; and the way women 's collective fury has become transformative political fuel. She deconstructs society 's (and the media 's) condemnation of female emotion (especially rage) and the impact of their resulting repercussions. Highlighting a double standard perpetuated against women by all sexes, and its disastrous, stultifying effect, Good and Mad is " perfectly timed and inspiring " (People, Book of the Week). This " admirably rousing narrative " (The Atlantic) offers a glimpse into the galvanizing force of women 's collective anger, which, when harnessed, can change history.

Super Mad at Everything All the Time explores the polarization of American politics through the collapse of the space between politics and culture, as bolstered by omnipresent media. It seeks to explain this perfect storm of money, technology, and partisanship that has created two entirely separate news spheres: a small, enclosed circle for the right wing and a sprawling expanse for everyone else. This leads to two sets of facts, two narratives, and two loudly divergent political sides with extraordinary anger all around. Based on extensive interviews with leading media figures and politicians, this book traces the development of the media machine, giving suggestions on how to restore our national dialogue while defending our right to disagree agreeably.
