Shelley (1792-1822) joyfully called poetry "the record of the best and happiest moments of the happiest and best minds." He said that poetry "redeems from decay the visitations of the divinity in man." Matthew Arnold (1822-1888) narrowed the definition to "a criticism of life."

THIS BOOK WRITTEN by Edwin Debiew is a book of sudden thoughts which came over his mind within the last few months. Edwin wanted to capture those thoughts in writing and decided to try his hand at poetry. Edwin Debiew is a poet who thinks outside of the normal poetic structure and conforms to his own rules of writing poetry. He writes from his impromptu thoughts and allows the poems to develop in his mind while formulating the final product. Edwin's ink pen adapts a mind of its own and cuts like a sword when needed, and paints like a new brush at times. Edwin creates poems just like a lyricist who recites verse after verse using various rhyme schemes. Poetry defined is a freedom of expression that is fluid like water. Simply meaning, poetry can mean many things to many people, but the greatest thing about the meaning, is that it is whatever you want it to be. Of course, there has to be some grammatical and thematic cohesion, but the meaning can span from A to Z, if your mind flows freely. The process of aligning words concertedly to arrive at a point with the intention to generate feelings

is a good definition! This is Edwin Debieu's definition of poetry. His new book, *Impromptu Poetry*, "Thoughts On My Mind" possesses various thought provoking themes, while showing a variety of rhyme schemes. Edwin uses real life examples of joy and daily issues and turns them into short poetic stories for readers to build upon. From short tanaga's and clerihew's, Edwin flows long with "The Opposite of Invictus" and "R&B Songs and Memories." Moreover, *Impromptu Poetry* is Edwin's story as he progresses in life. His poems expound on past experiences, perceptions by others and relationships with others of the world. Edwin gives credence in love poems for women to declare their great place in society. *Impromptu Poetry* will make many laugh, think, invoke inner feelings and motivate and guide people through the mind of a man who continues to strive for the best life has to offer!

From Tarquin, comes the debut poetry collection for the soul. Filled with both prose and poetry, Tarquin examines the feelings we all share in the deepest parts of our heart. *ALL MY THOUGHTS* ventures into the darkness of our all consuming thoughts and hopes with a little encouragement, you'll find the healing and the light.

From the distinguished polymath George Steiner comes a profound and illuminating vision of the inseparability of Western philosophy and its living language. With his hallmark forceful discernment, George Steiner presents in *The Poetry of Thought* his magnum opus: an examination of more than two millennia of Western culture, staking out his claim for the essential oneness of great thought and great style. Sweeping yet precise, moving from essential detail to bracing illustration, Steiner spans the entire history of philosophy in the West as it entwines with literature, finding that, as Sartre stated, in all philosophy there is "a hidden literary prose." "The poetic genius of abstract thought," Steiner believes, "is lit, is made audible. Argument, even analytic, has its drumbeat. It is made ode. What voices the closing movements of Hegel's *Phenomenology* better than Edith Piaf's non de non, a twofold negation which Hegel would have prized? This essay is an attempt to listen more closely."

There are 200 poems to explore in this collection—poems about love, and war; songs of the sea; tales of magic and adventure; rhythmic rhapsodies; nonsense verse; descriptions of the world (and the creatures in it), and of the seasons, and the soul. Many of the poems here will be familiar to you already. We have ransacked the common treasure hoard of "classics", collecting those best-known, and best-loved masterpieces that have long stood the test of time. But we have also explored further beneath the mountain, and unearthed some rarer gems. You may enter the collection through the front door if you wish; the very first poem provides a key. But do not feel compelled to proceed directly forward. Those readers who best explore a collection of verse, do so as though in possession of map which, while appearing to guide their footsteps, is revealed on closer inspection to be a perfect and absolute blank. This book is organized thematically, with 10 poems for each of the following 20 themes: 1) Magic and Wonder 2) Animalia: Mammals 3) Animalia: Birds 4) Animalia: Creep, Crawl, and Fly 5) Love and Friendship 6) War and Conflict 7) The Natural World 8) Life and Inspiration 9) Sadness and Remembrance 10) Journeys and Adventures 11) Tales and Songs 12) Songs of the Sea 13) Reflecting on Things 14) Humour and Curiosities 15) Nonsense 16) Miniatures 17) Stars, Moon, and Night 18) Sleep, Dreams, and Lullabies 19) The Year Round; Spring and Summer 20) The Year Round; Autumn and Winter Included are masterpieces by Christina Rossetti, Edward Lear, Lewis Carroll, Emily Dickinson, Robert Burns, Henry Wadsworth Longfellow, Robert Louis Stevenson, Rudyard Kipling, Sara Teasdale, William Blake, Byron, Robert Frost and many other outstanding poets. the preview of this book for a full listing. At Elsinore Books we pride ourselves on creating beautiful e-books, and devote great attention to formatting, and ease of navigation. This book contains a cleanly-styled contents page that permits easy movement between the poems. This book is part of the Best of Poetry series, which also includes: The Best of Poetry: Thoughts that Breathe and Words that Burn The Best of Poetry: Shakespeare, Muse of Fire

This book is a collection of poems ranging from an assortment of topics such as love, heartbreak, Identity, leadership, self-worth, drugs, positive thinking, open mindedness, self expression and death.

Continuing the Best of Poetry series, this anthology brings together 150 of the finest passages from Shakespeare's plays and poetic works. We hope our selection will allow readers to rediscover the brilliance of Shakespeare's poetic inventiveness, and the depth and subtlety of his insight as he creates and explores the minds of the most fully-realised and autonomous characters in all of fiction. The beauty in these fragments is best unlocked by reading them aloud, savouring the rhythms, the rich ambiguity of metaphor, and vivid evocation of scene. Learn them by heart if you can, and when inspired, revisit the complete plays and admire the passages anew in their native soil. As with other volumes in the Best of Poetry series, the works included here are organised thematically, and arranged in such a way that they may interpret and illumine one another. There are eleven themes: The Forms of Things Unknown; Reason and Rapture; The Purple Testament; Love; Immortal Time and Mortal Man; Ambition and Jealousy; Wrath and Vengeance; Mark the Music; The Tragic Soul; Grief and Death; and Sonnets. The passages are introduced by a small collection of quotations from some of the most perceptive interpreters of Shakespeare's work. There then follows the main contents page, and an accompanying alphabetical index of plays to help you locate specific passages. At Elsinore Books we pride ourselves on creating beautiful e-books, and devote great attention to formatting, and ease of navigation. This book contains a cleanly-styled contents page that permits easy movement between the poems. We regularly update the formatting of our books, to ensure they will always remain perfectly accessible on all e-reader models. notebook, reciting the words to herself like prayers—especially after she catches feelings for a boy in her bio class named Aman, who her family can never know about. With Mami’s determination to force her daughter to obey the laws of the church, Xiomara understands that her thoughts are best kept to herself. So when she is invited to join her school’s slam poetry club, she doesn’t know how she could ever attend without her mami finding out. But she still can’t stop thinking about performing her poems. Because in the face of a world that may not want to hear her, Xiomara refuses to be silent. “Crackles with energy and snaps with authenticity and voice.” —Justina Ireland, author of *Dread Nation* “An incredibly potent debut.” —Jason Reynolds, author of the National Book Award Finalist *Ghost* “Acevedo has amplified the voices of girls en el barrio who are equal parts goddess, saint, warrior, and hero.” —Ibi Zoboi, author of *American Street* This young adult novel, a selection of the Schomburg Center's Black Liberation Reading List, is an excellent choice for accelerated tween readers in grades 6 to 8.
