Claim--have been read and loved by hundreds of thousands of readers. In *The Best of Simple*, the author picked his favorites from these earlier volumes, stories that not only have proved popular but are now part of a great and growing literary tradition. Simple might be considered an Everyman for black Americans. Hughes himself wrote: "...these tales are about a great many people--although they are stories about no specific persons as such. But it is impossible to live in Harlem and not know at least a hundred Simples, fifty Joyces, twenty-five Zaritas, and several Cousin Minnies--or reasonable facsimiles thereof." As Arnold Rampersad has written, Simple is "one of the most memorable and winning characters in the annals of American literature, justly regarded as one of Hughes's most inspired creations."

The "Simple" stories, Langston Hughes's satirical pieces featuring Harlem's Jesse B. Semple, have been lauded as Hughes's greatest contribution to American fiction. In *Not So Simple*, Donna Akiba Sullivan Harper provides the first full historical analysis of the Simple stories. Harper traces the evolution and development of Simple from his 1943 appearance in Hughes's weekly *Chicago Defender* column through his 1965 farewell in the *New York Post*. Drawing on correspondence and manuscripts of the stories, Harper explores the development of the Simple collections, from *Simple Speaks His Mind* (1950) to *Simple's Uncle Sam* (1965), providing fresh and provocative perspectives on both Hughes and the characters who populate his stories. Harper discusses the nature of Simple, Harlem's "everyman", and the way in which Hughes used his character both to teach fellow Harlem residents about their connection to world events and to give black literature a hero whose "day-after-day heroism" would exemplify greatness. She explores the psychological, sociological, and literary meanings behind the Simple stories, and suggests ways in which the stories illustrate lessons of American history and political

science. She also examines the roles played by women in these humorously ironic fiction. Ultimately, Hughes's attitudes as an author are measured against the views of other prominent African American writers. Demonstrating the richness and complexity of this Langston Hughes character and the Harlem he inhabited. *Not So Simple* makes an important contribution to the study of American literature.

Jesse B. Simple, Simple to his fans, made weekly appearances beginning in 1943 in Langston Hughes' column in the *Chicago Defender*. Simple may have shared his readers feelings of loss and dispossession, but he also cheered them on with his wonderful wit and passion for life.

Poet Langston Hughes' only novel, a coming-of-age tale that unfolds amid an African American family in rural Kansas, explores the dilemmas of life in a racially divided society.

*The Short Stories of Langston Hughes* This collection of forty-seven stories written between 1919 and 1963--the most comprehensive available--showcases Langston Hughes's literary blossoming and the development of his personal and artistic concerns. Many of the stories assembled here have long been out of print, and others never before collected. These poignant, witty, angry, and deeply poetic stories demonstrate Hughes's uncanny gift for elucidating the most vexing questions of American race relations and human nature in general.

A collection of columns written by Langston Hughes between 1942 and 1962 for the "*Chicago Defender*," offering his views on international race relations, Jim Crow, the South, white supremacy, imperialism and fascism, segregation in the armed forces, the Soviet Union and communism, and

African-American art and culture.

The sixteen volumes are published with the goal that Hughes pursued throughout his lifetime: making his books available to the people. Each volume will include a biographical and literary chronology by Arnold Rampersad, as well as an introduction by a Hughes scholar. Lume introductions will provide contextual and historical information on the particular work.

A Coretta Scott King Author Honor Book Winner of the Scott O'Dell Award for Historical Fiction  
When eleven-year-old Langston's father moves them from their home in Alabama to Chicago's Bronzeville district, it feels like he's giving up everything he loves. It's 1946. Langston's mother has just died, and now they're leaving the rest of his family and friends. He misses everything-- Grandma's Sunday suppers, the red dirt roads, and the magnolia trees his mother loved. In the city, they live in a small apartment surrounded by noise and chaos. It doesn't feel like a new start, or a better life. At home he's lonely, his father always busy at work; at school he's bullied for being a country boy. But Langston's new home has one fantastic thing. Unlike the whites-only library in Alabama, the Chicago Public Library welcomes everyone. There, hiding out after school, Langston discovers another Langston--a poet whom he learns inspired his mother enough to name her only son after him. Lesa Cline-Ransome,
