The Fifth Column is the world's most powerful and secretive organization. Sophia, one of their operatives, was a child when she was recruited and has had her DNA altered and her mind programmed to enhance her abilities. The mission to Iran was routine until something goes wrong with Sophia's programming and the mission spins out of control.

★★★★ "The Fifth Column series is a tour de force. This amazing series deserves a 5 star review." ★★★★★ "Really humorous, lots of action and the characters are so much fun. Loved it. Fast-paced, entertaining read." ★★★★★ "I picked up a copy of The Chimera Vector thinking it would be a standard adventure novel. I ...

The Fifth Column (3 book series) Kindle Edition

4 Stars The Chimera Vector, the first book to the Fifth Column Series rated a 3.5 stars from me. This was due in large part to the fact that it lack a certain polish from other action adventure books I have read. What struck me in the Seraphim Sequence was a noted improvement in the quality of the writing which may have been due to better editing.
