There's no place like home for the holidays . . . which is a good thing when you have a family like Robert Earl Keen's. As Keen tells it in this wry send-up of all those impossibly sweet, "not like our family" Christmas carols, Mom and Dad got drunk at the Christmas party, sister and brother brought their dubious significant others, the relatives' motor home blew out the Christmas lights, and a convenience store supplied all the goodies. Merry Christmas from the Family is the companion book for Robert Earl Keen's popular Christmas tune of the same name. Using authentic Keen family photos, recipes, and craft instructions, it illustrates all the verses of the song, which you can sing along with on the accompanying CD. Whether you're one of Robert Earl's legion of fans, or you've just had enough of Perry, Bing, and the other crooners, Merry Christmas from the Family is what you need to keep the holidays in hilariously skewed perspective.

Tells the story of Jesus Christ's miraculous birth through scripture passages found in scriptures and Christ-centered carols.
